Bed Frame
Assembly Instructions

IMPORTANT

Please follow the instruction manuals and use a pad to protect the product during your assembly.

Note:
1. Should be assembled on flat ground to keep balance.
2. Before completing the installation, do not tighten the screws.

For easier and better assembly, **2** or more adults are required.

Safety and Care Advice

Important-Please read these instructions fully before staring assembly

- Check you have all the components and tools listed on the following pages.
- Remove all fittings from the plastic bags and separate them into their groups.
- Keep children and animals away from the work area,small parts could choke if swallowed.
- Make sure you have enough space to layout the parts before starting.
- During assembly do not stand or put weight on the product , this could cause damage/
- Assemble the item as close to its final position (in the same room) as possible.
- Assemble on a soft level surface to avoid damaging the unit or your floor.
- Parts of the assembly will be easier with 2 people.

- To reduce the likelihood of damaging your product please ensure that your power drill is set on a low torque setting .

Care and maintenance

- Only clean using a damp cloth and mild detergent ,do no use bleach or abrasive cleaners.
- From time to time check that there are no loose screws on this unit.
- This product should not be discarded with household waste. Take to your local authority waste disposal centre.

Handy Hints

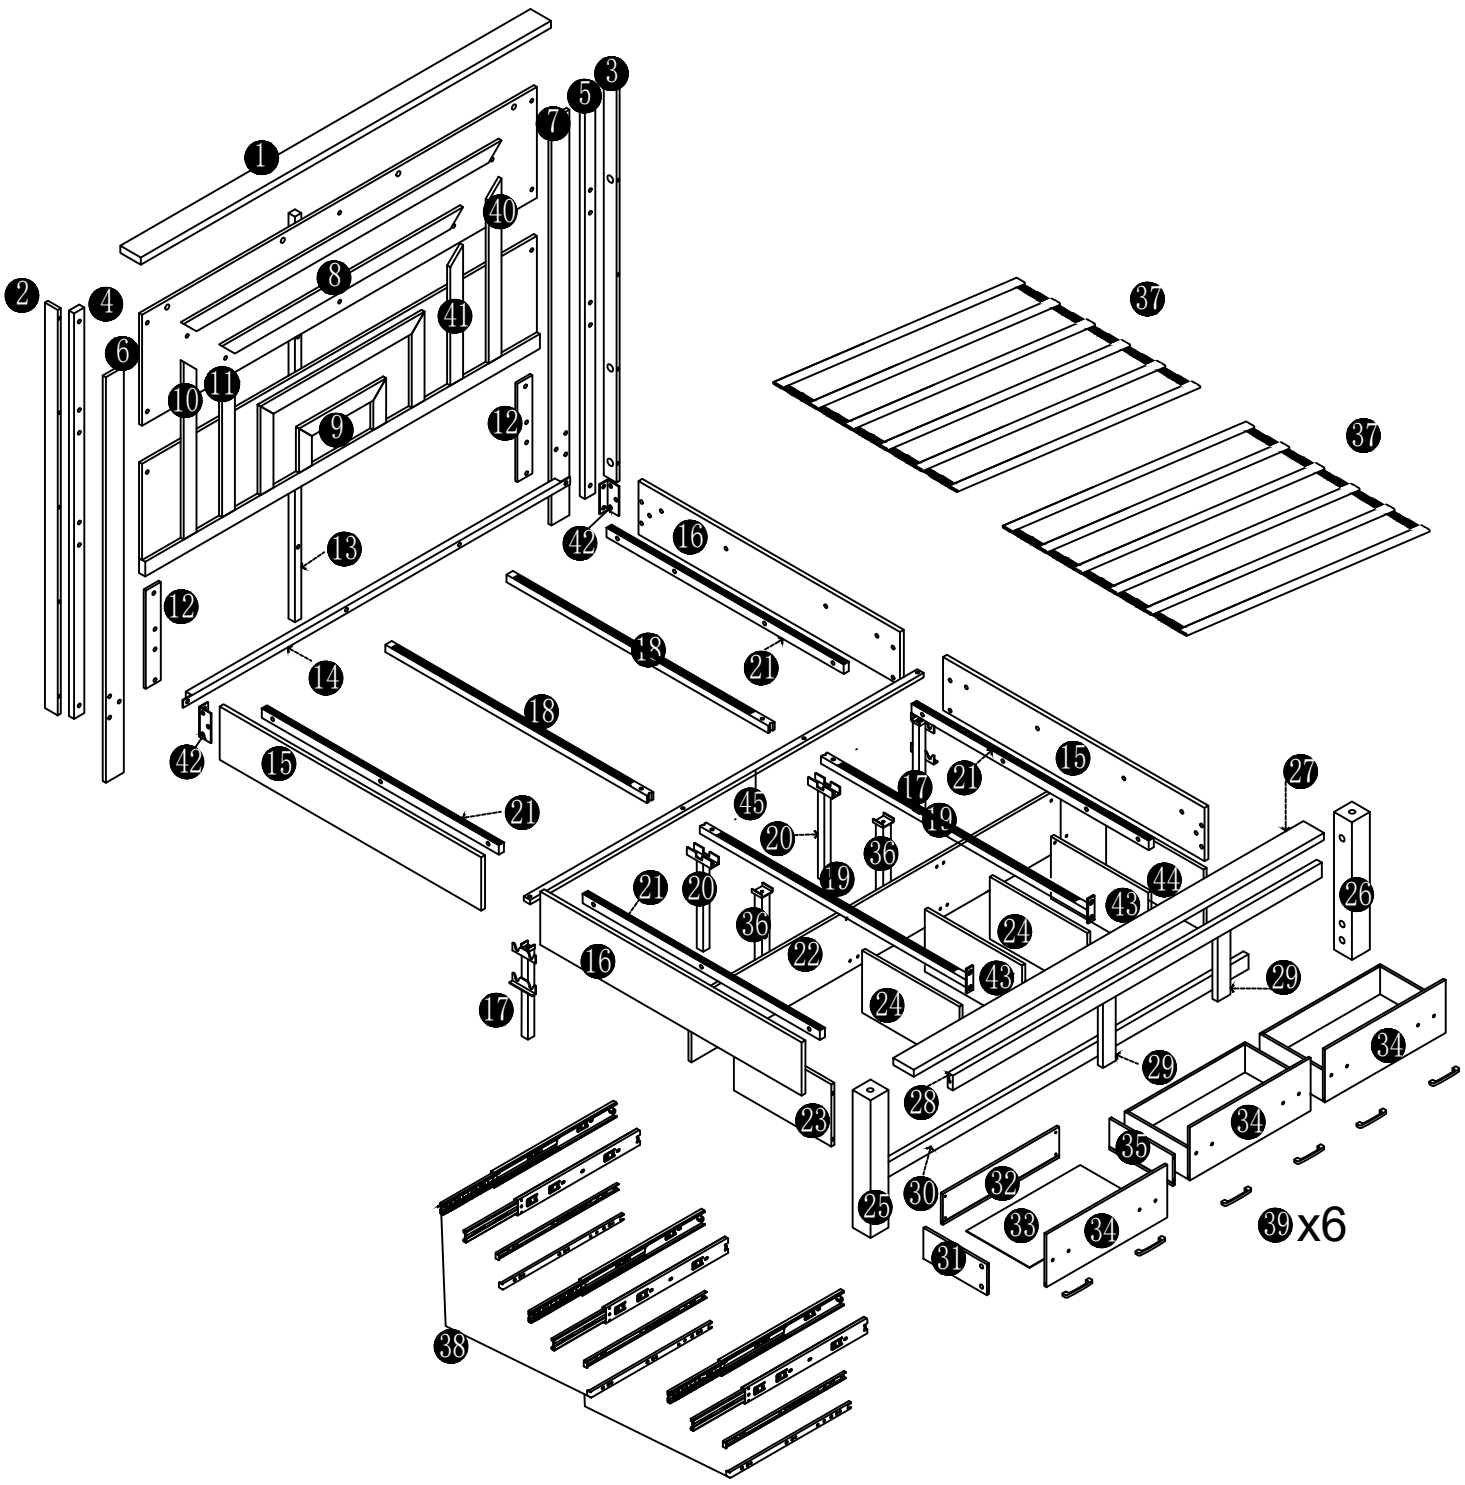

- Assemble all parts and bolts loosely during assembly,only once the product is complete should you fully tighten the bolts.
- Regularly check and ensure that all bolts and fittings are tightend properly.

WARNING
In order to help prevent overturning-plese follow these insturctions

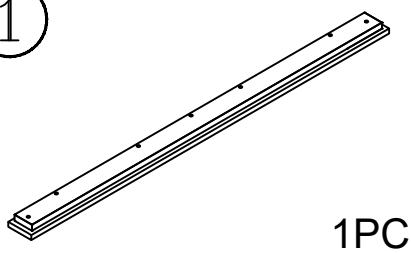

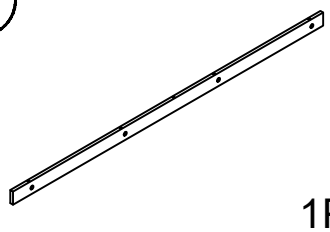

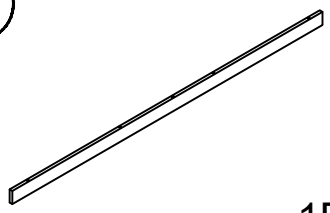

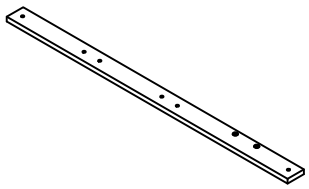

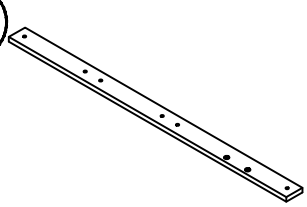

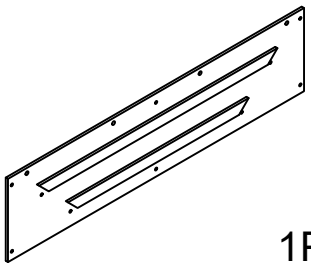

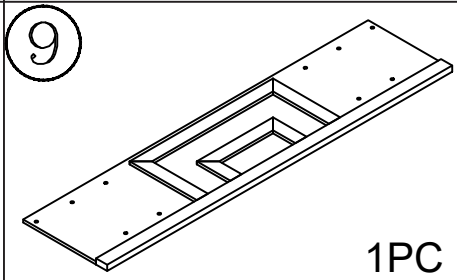

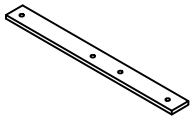

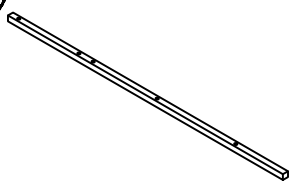

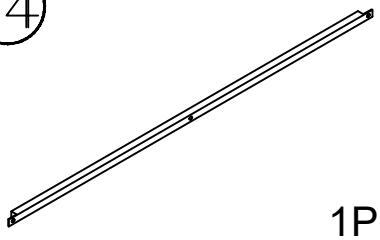

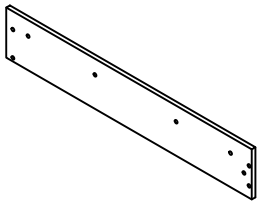

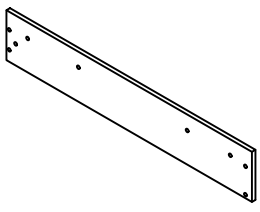

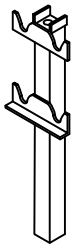

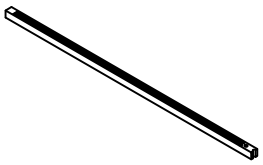

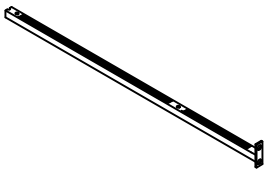

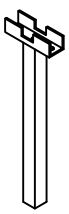

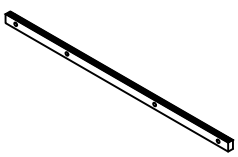

To help prevent product toppling over please follow the steps below:

- Must use the anti tip strap or wall fixing method provided (whichever applies).
- Do not allow children to climb or hang on the furniture.
- Do not place heavy items on top of the furniture,unless the furniture has been designed for this purpose
- Installation shall be carried out exactly according to the instructions-otherwise a safety risk can occur
- In order to prevent falling down this product must be used with the wall attachment device provided

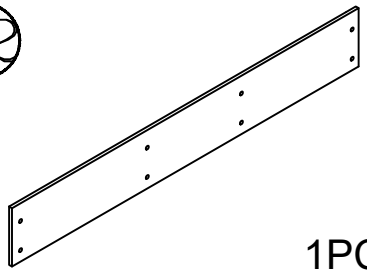

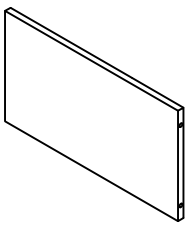

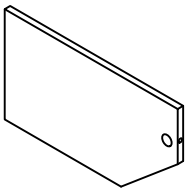

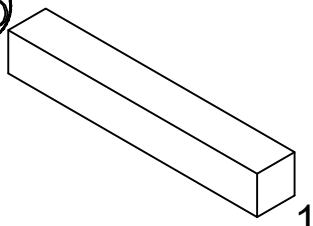

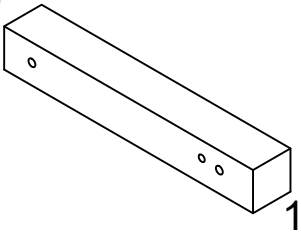

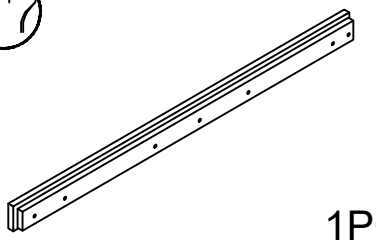

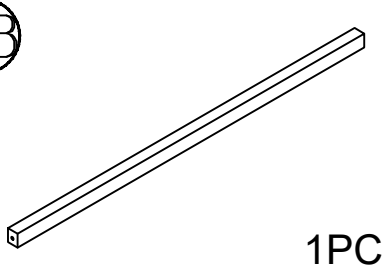

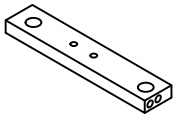

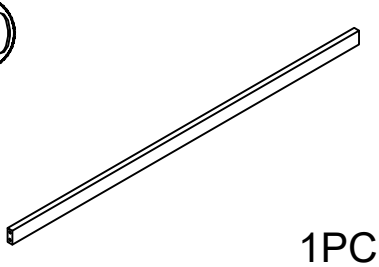

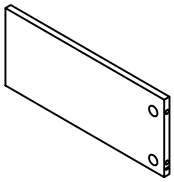

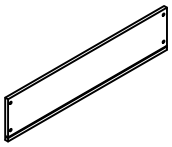

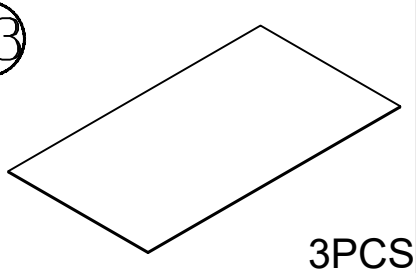

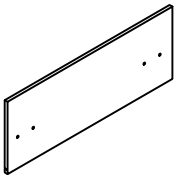

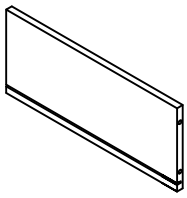

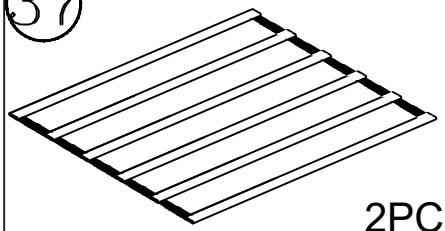

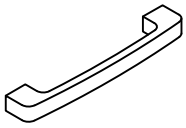

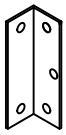

please note that only the wall attachment device is provided .You will need to supply wall plugs and screws applicable for your wall type.
