CLEANING & MAINTENANCE

*Before cleaning always refer to the fabric label for washing instructions.

PET COMPARTMENT, CANOPY, UNDER-BASKET. The fabrics are not detachable and non-washable, but can be wiped clean with a damp cloth.

PAD. The pad cover fabric is detachable and machine washable. The foam inside the pad fabric is non-washable and must be taken out before washing. The foam can be cleaned with a damp cloth. Insert the foam back in the pad fabric after cleaning before assembling the pad fabric back.

GRIPS. Handle grips are non-washable but can be wiped clean with a damp cloth.

FRAME. Clean with a soft towel and lukewarm water and wipe off any remaining water with a dry cloth. Use a soft brush to clean sand and dirt from the mechanisms of the chassis. Take care to brush away from any sliding joints.

WHEELS. Periodically, remove the wheels from the frame and brush off any dirt or sand in the inside axle of the wheel. Do not submerge the wheel bearings in water. Use a brush and water to clean dirt on the wheels. Lubricate moving parts (wheels, axles, & swivels) except brakes & locks with light machine oil.

WET CONDITIONS. Store your pet stroller and its accessories in a dry place and leave them to dry unfolded to prevent mold.
