

Sofa Cover Installation Process

Chaise Lounge Installation Steps

- ① Put the cloth cover over the seat.

- ② Please note the front and back direction of the zipper. Zip up the zipper at the armrest.

- ③ Zip up the zipper at the backrest.

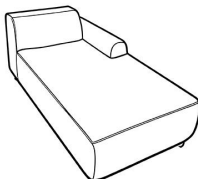

- ④ Straighten the lines where the sofa cover meets the sponge zipper. Fit the sofa cover in place.

- ⑤ Zip up the bottom cloth zipper.

- ⑥ Complete the installation.

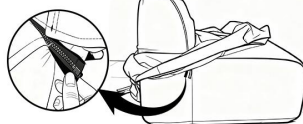

Middle Section Installation Steps

- ① Put the cloth cover over the seat.

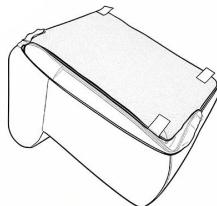

- ② Please note the front and back direction of the zipper. Zip up the zipper at the backrest.

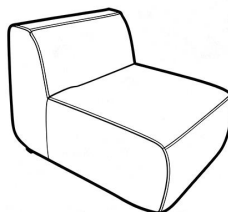

- ③ Straighten the lines where the sofa cover meets the sponge zipper. Fit the sofa cover in place.

- ④ Zip up the bottom cloth zipper.

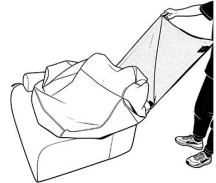

- ⑤ Complete the installation.

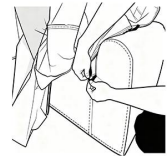

Armrest Section Installation Steps

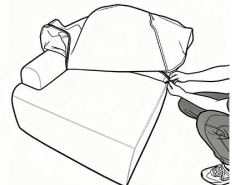

- ① Put the cloth cover over the seat.

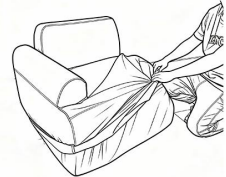

- ② Please note the front and back direction of the zipper. Zip up the zipper at the armrest.

- ③ Zip up the zipper at the backrest.

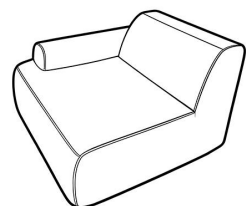

- ④ Straighten the lines where the sofa cover meets the sponge zipper. Fit the sofa cover in place.

- ⑤ Zip up the bottom cloth zipper.

- ⑥ Complete the installation.

Points to Note:

1. Straighten the zipper before zipping it up. Do not use excessive force to zip it up.
2. Please do not pull the anti-slip cloth at the bottom with excessive force.
3. It is recommended that two people cooperate to install the cloth cover
4. Please be careful during installation. Make sure there are no sharp objects around to prevent them from scratching and damaging the fabric and sponge.
