23-quart induction compatible Pressure Canner with stainless steel-clad base

AMERICA'S
FIVE-STAR BRAND
★★★★★

- The only full-sized consumer pressure canner that works on an induction range.*
- Easy, confident, and safe home pressure canning.
- Doubles as a boiling water canner for fruits, jams, jellies, and salsa.

Induction compatible with special stainless steel-clad base.

Deluxe pressure gauge registers the complete range of processing pressures, which are especially important at higher altitudes.

Includes a canning/cooking rack and 80-page instruction and recipe book. 12-year limited warranty.

*May not work on all portable induction ranges.

Note: This pressure canner is designed for use on household range burners of 12,000 BTUs or less.

- **Pressure canning** is the only method recommended safe by the U.S. Department of Agriculture for canning vegetables, meats, poultry, and seafood.
- **Works on induction,* gas, electric, and smooth-top ranges.** Constructed of heavy-gauge polished aluminum with a stainless steel-clad base.
- **Extra-large size.** Regular Mason Jar Capacity: Holds up to 7 quart jars, 20 pint jars, or 26 half-pint jars. Also functions as a large capacity pressure cooker.
- **Air vent/cover lock** allows pressure to build only when the cover is closed properly. Prevents the cover from being opened until pressure is safely reduced. Gives a visual indication of pressure inside the canner.

Liquid Capacity:
23 quarts (21.8 liters)

Stock No. 01784

Out of Box:	Width	Depth	Height	Weight
	17.50"	13.50"	15.50"	10.32 lb
