- D (6) Caster
- E (1) Allen Wrench

## PARTS LIST

- F (1) Front Panel
- G (2) Side Panel
- H (1) Back Panel
- J (2) Mattress Support

| PART | QTY | HARDWARE                                                                           | PART | QTY | HARDWARE                                                                            |
|------|-----|------------------------------------------------------------------------------------|------|-----|-------------------------------------------------------------------------------------|
| A    | 8   |  | B    | 24  |  |
| C    | 8   |  | D    | 1   |  |
| E    | 6   |  |      |     |                                                                                     |

### STEP 1

Begin assembly by attach each Casters (E) to the bottom of each Front Panel (F) & Back Panel (H) using 4 Wood Screws (B) per each caster. **See Figure 1.** Tighten all screws using a philipshead secure driver (\*not provided).

### STEP 2

Next attach each Side Panel (G) to the backside of the Front Panel (F) by aligning holes and securing with 2 Allen Bolts (A) per each end. **See Figure 2** Tighten all bolts using Allen Wrench (D) that has been provided.

### STEP 3

Attach the Back Panel (H) to the REMAINING side of each Side Panel (G) also by aligning holes and securing with 2 Allen Bolts (A) per each end. Tighten all bolts.

### STEP 4

Attach each Mattress Support (J) to Front & Back Rails (F&H) by unrolling and securing with 4 Wood Screws (C) 2 per each side. Tighten all screws using philips head screwdriver (\*not included). Your new Trundle is now complete.

**CARE & MAINTENANCE:** The touch of a soft cloth is all the maintenance the finish will ever need. Please do not use harsh or abrasive cleaners for polishing, as they may cause damage to the finish. Periodic checks are recommended to make sure that all hardware is securely tightened.
