Two shades of hand-blown glass forms the drop of this pendant. Seemingly simple in its design, an inner teardrop-shaped shade conceals a standard bulb in opal glass, then a larger shade rests outside it, exposing the inner piece in clear glass. Both hang from a stainless steel stem and mount, both finished in antique brass. Additional pipe available (PIPE-180). Also available in brushed nickel (49174). Damp-rated, although limited covered outdoor conditions may affect finish.
