

Damask® | K-99672

Two-drawer bridge

Features

- Designed to complement the traditional style of Damask vanities
- Catalyzed conversion varnish provides a durable moisture-resistant finish
- Two solid-wood drawers with dovetail construction
- Full-extension 18" (457 mm) depth drawers with soft-close undermount slides for smooth opening
- Allows for easier transport through tight door openings or stairways than a full-size one-piece vanity
- Coordinates with the K-99689 Damask handle or K-99686 Damask knob (sold separately)

Codes/Standards

EPA TSCA Title VI/CARB P2

Material

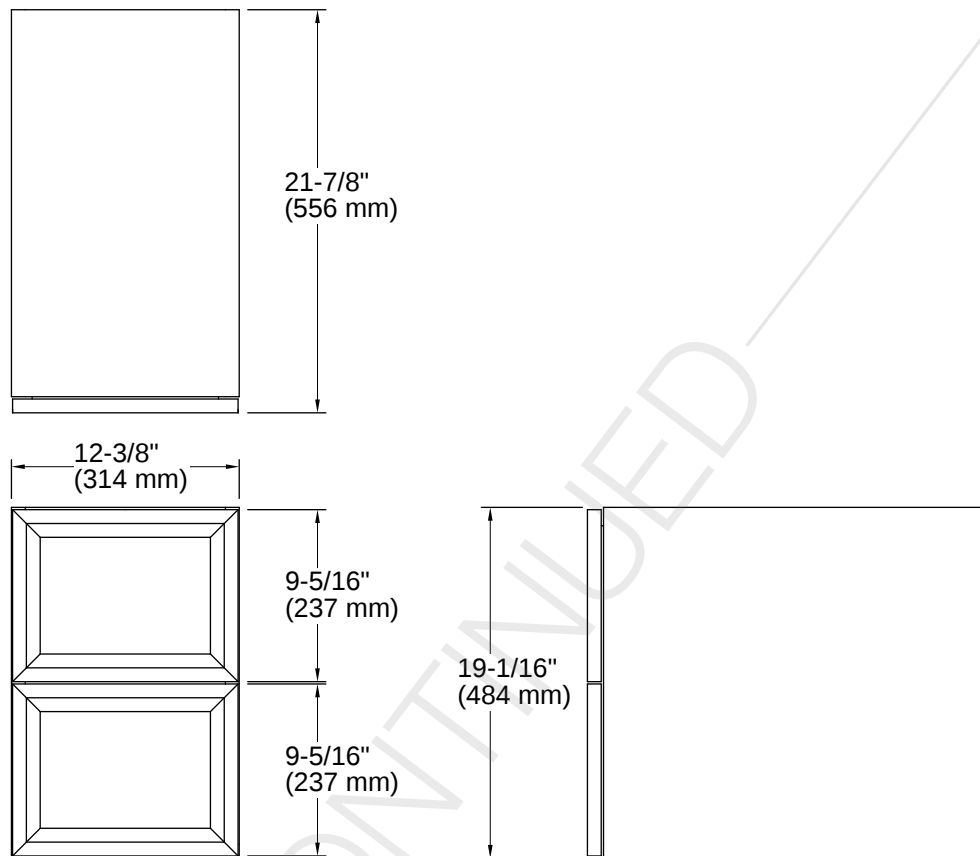

- Solid wood and veneers
 - Wood is a living material, and its beauty is enhanced by natural variations in grain, color, and pattern. No two pieces of wood are exactly the same, and the color will change with age, temperature, and exposure to light
 - The nature of wood grain can cause variations in stain depth. Our expert craftspeople hand-apply the stain to blend these variations
-

Warranty
