Hex key

POWER OUTLET WIRING INSTRUCTIONS

Power cords shall be provided by the user

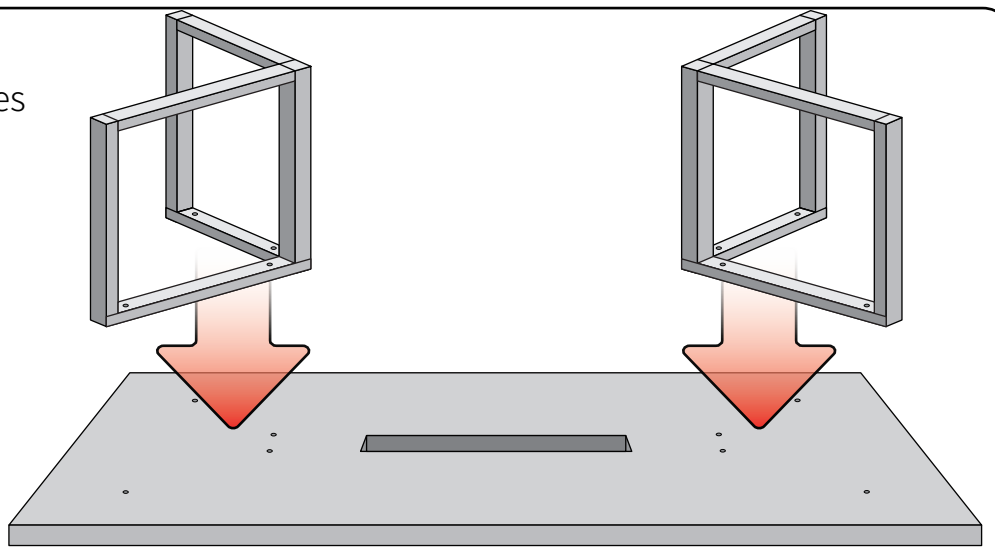

MAINTENANCE OF FURNITURE

Solid wood furniture is derived from nature and requires proper maintenance methods

1. Avoid prolonged exposure to strong sunlight.
2. Avoid placing it near an air conditioning vent or heater; keep a distance of at least 1.5 meters.
3. Keep the indoor humidity stable; avoid sudden changes between dry and damp conditions.
4. Do not allow direct contact with high-temperature objects.
5. Wipe dry any water stains on the furniture surface as soon as possible.
6. Do not place corrosive items on the surface (such as alcohol, aromatherapy oils, nail polish remover, etc.)

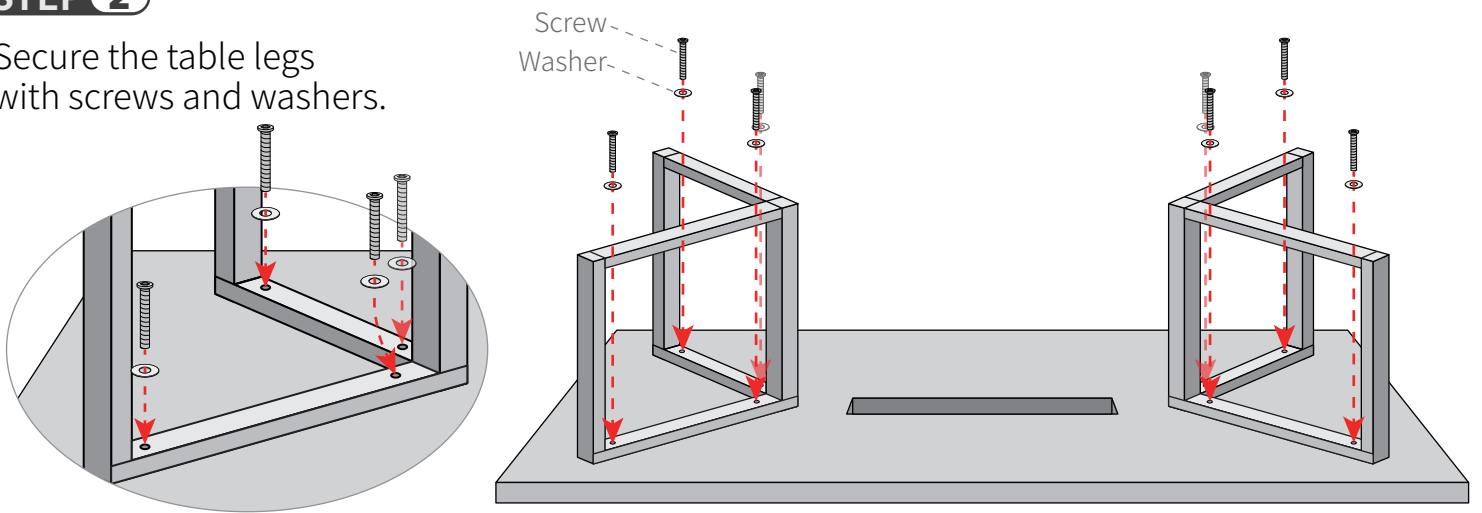

STEP 1

Align the table legs with the holes and place them on the back of the tabletop.

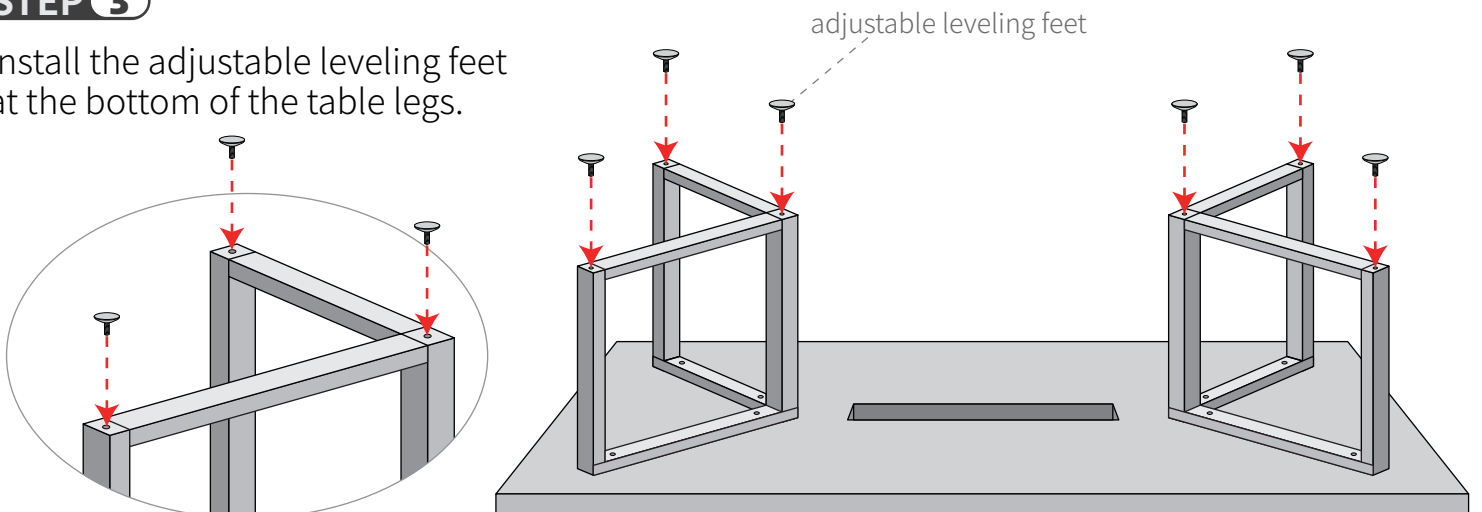

STEP 2

Secure the table legs with screws and washers.

STEP 3

Install the adjustable leveling feet at the bottom of the table legs.

STEP 4

Finally install the power outlet on the tabletop.

Installation completed
