

MERCANA

Jacinta II 21" Round Glass Top Metal and Marble Pedestal End/Side Table
SKU: 69053-AB

MARBLE, GLASS AND METAL CONSTRUCTION

This elegant side table has a thick, glass top that sits within a circular, iron frame. The abstract frame features fountain-like, iron supports sprouting around a cylindrical, marble base.

WHITE AND GOLD FINISH

The white marble base has creamy undertones with gray and beige veining throughout, while the iron supports feature a subtle, antique gold finish.

*Marble is a natural material. Each piece has its own beautiful intricacies, and some may carry naturally occurring fissures. Please expect variations in color and texture.

AIRY AESTHETIC

Its open, fountain-like frame lends to an airy aesthetic, making a bold statement without taking up too much visual weight.

ART DECO ELEGANCE

The combination of glass, marble, and metal speaks to the anti-traditional elegance of the 1920's - it's the perfect way to add some swank to a space!

Marble and gold unite in a round side table with a Twenties vibe
