OSTRICH FLUFF LOUNGE CHAIR

The Ostrich Fluff Lounge Chair is part of the celebrated Ostrich Fluff Collection by Egg Designs, handcrafted in Durban, South Africa. This lounge chair is designed in two distinct sections, joined by precision-engineered steel brackets and secured with solid brass pins—an industrial detail that balances strength with sophistication.

The seat is upholstered in sumptuous velvet or textured leather, offering generous comfort, while the base is finished with a trim of genuine ostrich feathers. The delicate feather skirt introduces a sense of movement and glamour, creating a bold contrast against the chair's modern silhouette.

Stock supported in Bronzed Steel finish, Porcelain fabric and Cream feathers.
