How to Measure Your Dog for a Crate:

Step 1: Measure Length

1. Ensure that your dog is standing on all four feet.
2. Measure from the tip of its nose to the base of its tail.

Step 2: Measure Height

1. Have your dog sit down.
2. Measure from the top of its head to the floor.

Warm Tips:

Please follow the instructions to confirm your pet's size and add an additional 3-4 inches for optimal comfort before purchasing.
