

WILDWOOD CHELSEA HOUSE

54361718 • Cane Picture Light

3h x 14w x 12.5d
Rattan

We love a good picture light, especially for large important pieces. Not only does it illuminate your favorite wall art, but also provides soft ambient light. Amanda decided ours needed a little island texture to be picture perfect. Natural handwoven cane over solid antique brass does the trick beautifully. Shade tilts so you can direct light at the perfect viewing angle.
