

Technical drawing of a semi-circular louvered door. The overall width is 34" and the overall height is 26". The door features a semi-circular top with a radius of R17" and a base that is 30" wide. The door is divided into 10 horizontal louvers. The base has a 2" thick bottom rail. The door is shown in a perspective view with a dashed line indicating the center of the semi-circle.

Technical drawing of a vertical rectangular object. The width is labeled as $1\frac{1}{2}$ " at the top. The height is labeled as 26" on the right side. The depth or thickness is labeled as 2" at the bottom left. The object is shown in a perspective view with dashed lines indicating the dimensions.

A line drawing of a semi-circular window with horizontal blinds. The window is shown from a side-on perspective, with the blinds partially open. The frame is simple and rectangular, with a slight overhang at the bottom.

LOUVER QTY: 8
