Wood Grain/Antique Brass

*The Theodore Lamp is the perfect blend of modern convenience and minimalist design. Rechargeable and portable, this sleek lamp offers flexibility and ease, allowing you to take it wherever light is needed. Powered by LED technology, the Theodore Lamp provides energy-efficient, long-lasting illumination with a warm glow. The smooth brushed brass finished top and slender stem rest on a base covered in a wood decal, creating a stylish contrast of materials. Ideal for accent lighting, whether on a desk, bedside table, or outdoor setting, the Theodore Lamp brings both elegance and practicality to any environment.*
