Suggested Bulb: A Standard

Socket Type: E26

Watts per Socket / Item: 150/150

In the tried-and-true tradition of radiant mercury glass, our Lucent Blue Table Lamp shines like few materials can. The rotund body made of luminous blue plated glass effervesces when light wafts from under the off-white shantung shade, held in place by hardware and a round finial in a polished nickel finish. This is one of our products that illustrates the skill of our glassblowers and finishers.
