Application

It is suitable for families, hotels, restaurants, parties, dining rooms, dessert shops, coffee shops, steakhouses, and other places. It can be used as a decoration, matched with a variety of styles of furniture, and can be placed under cups, tableware, vases, and ashtrays.

Notes

1. Please confirm the dimensions and style before purchasing.
2. Please do not clean the placemats with water or a hard brush; just wipe them with a damp, soft cloth and store them in a dry place.
3. Please allow the slight color difference caused by the shooting light and the 1-3 cm error due to manual measurement, and make sure you do not mind before ordering.
