Assembled Height (in.)	9.80
Weight (lbs)	9.30

Package Size

Length (in.)	16.54
Width (in.)	11.02
Height (in.)	7.09
Weight (lbs)	9.68

Product Features

- **Voice & APP & Remote Control** ◆ 42 inch Ceiling fan with lights and remote (handheld and wall mounted), still in control when WiFi doesn't work. Alexa enabled ceiling fans with smart control are compatible with WIFI, Alexa, Google assistant and App, just control via simple voice command. Alexa, turn on the fan in the bedroom or on the patio ◆ or phone App from anywhere.
- **Quiet 6-speeds DC Motor** ◆ Smart Flush Mount ceiling fan with 3 ABS blades delivers airflow up to 4800 CFM. Whisper-quiet dc ceiling fan with light keep room cool with noise under 35dB, no hum and no wobble. Especially friendly for the light sleepers. Reversible function and variable speeds have you enjoy the fan all year round.
- **Dimmable & Color-changing LED Lights** ◆ Flush mount modern ceiling fan with color-changing light (3000K warm yellow light, 4500K bright daylight, 6000K cool white light), dimmable from 0%-100%, create desired atmosphere for working, leisure, party. Led light is 2880 lumen and bright enough to lit up the entire master bedroom. The operations are easy to use on the remote control.
- **75% more Energy-efficient** ◆ Modern black ceiling fan is with ABS blades design and noiseless dc motor. Dc ceiling fan is normally 75% more energy-efficient than ac fan, so it will obviously lower your electricity consumption. Smart lighting & ceiling fans with auto-on schedule and auto-off time(0-8h) are a great addition for your smart home and life.
