

Assembly And Installation

Step1: secure the product to the floor with screws (screws not included, please buy them yourself. 4pcs are needed)

Step2: put on the base cover from the top of the column.

Step3: the groove on the column uses glass with a thickness not exceeding 1cm (0.39").

Stick the glass directly into the groove and fix with glass cement. (Glass and glass cement are not included, please buy them yourself.)
