CUSTOMER SERVICE GUIDE

Thank you for choosing our product! We are committed to providing you with excellent service. If you find any missing parts, damaged packaging, or product damage after receiving all packages, please follow the steps below to quickly contact our customer service team. We will do our best to resolve your issue.

1. Missing Parts

Verify Parts:

1. Refer to the “Parts List” in the manual to verify the name, specifications, and quantity of the missing parts.
2. Take a clear photo of the parts list and mark the missing parts with detailed information, e.g., “Missing 5 pieces of M6x30mm screws.”

2. Product or Packaging Damage

If it affects normal use:

Steps:

1. Take clear photos or videos showing the damaged parts and the extent of the damage (multi-angle shots are recommended).

Resolution:

After verification, we will arrange for a replacement part, product exchange, or refund as quickly as possible.

If it does not affect normal use:

Steps:

We will provide repair guidance or an appropriate compensation plan based on the specific situation.

Helpful Tips

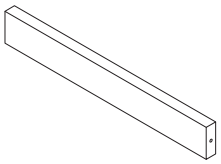

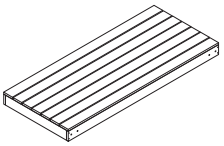

To process your issue efficiently, please prepare the following information:

· Order details (order number, purchase platform, purchase date).

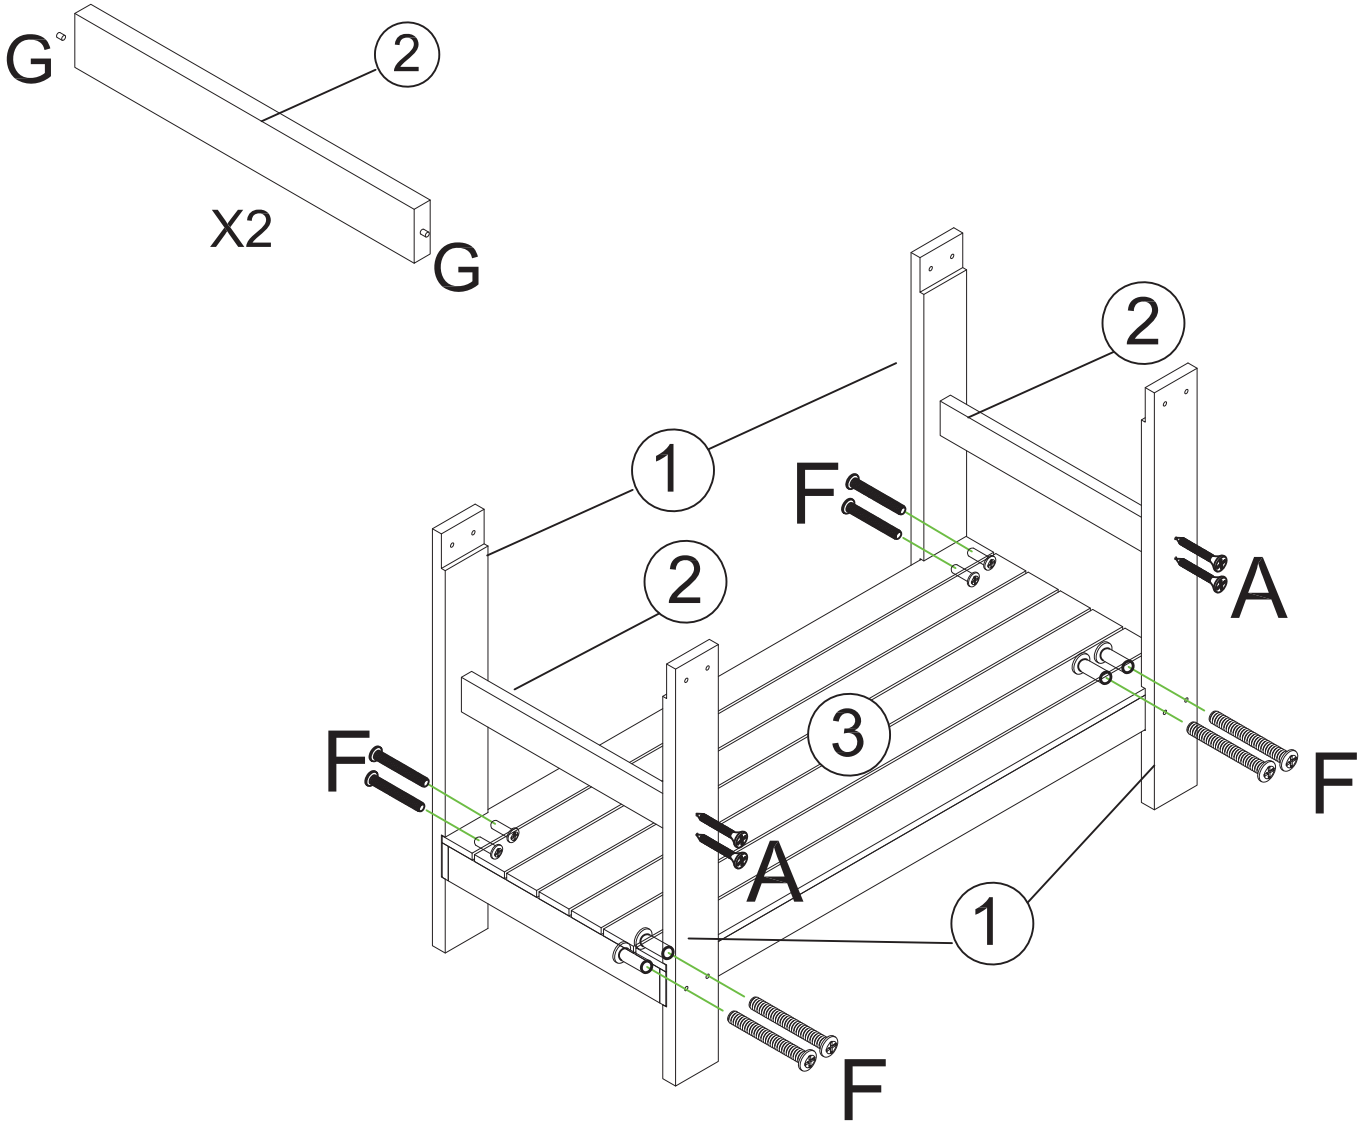

· Clear photos or videos.

· We are committed to providing quick and professional solutions, no matter the size of the issue, to ensure your satisfaction.

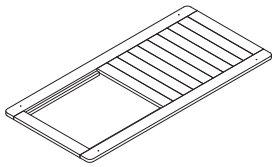

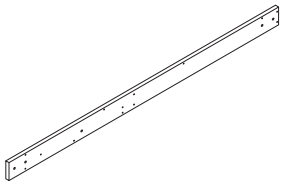

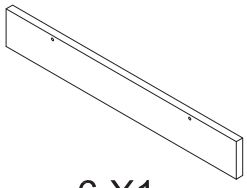

Thank you for your trust and support! We hope you enjoy using our product!

1	 1 X4	 2 X2	 3 X1

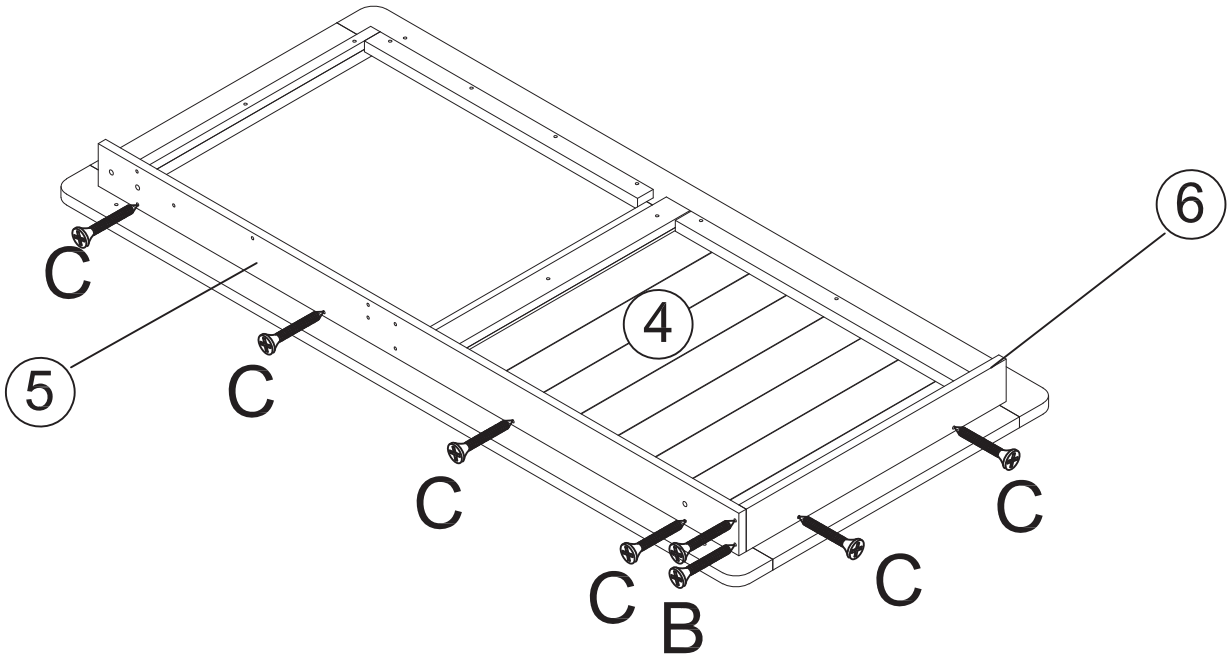

Insert the (G) wooden dowels into both ends of part (2).
