Before You Start

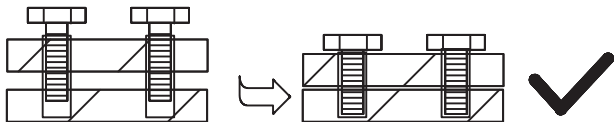

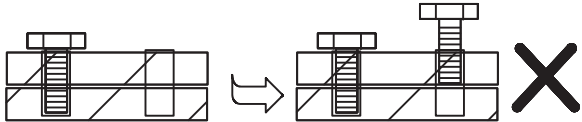

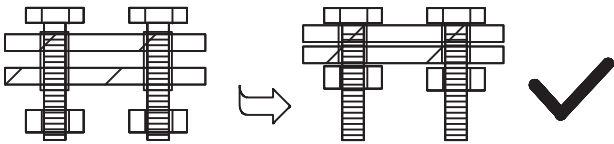

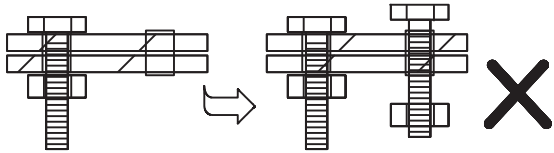

- ⚠ Read each step carefully before starting. It is very important to ensure each step followed in correct order, otherwise assembly difficulties may occur.
- ⚠ Keep small children away from moving parts and potential pinch points.
- ⚠ Work in a spacious area, preferably on a carpet close to where the unit will be used.
- ⚠ Keep the handtools close at hand. Do not use power tools to assemble your furniture. They may scratch or damage the parts.

Step 6: Install the middle crossbar, Part (G).

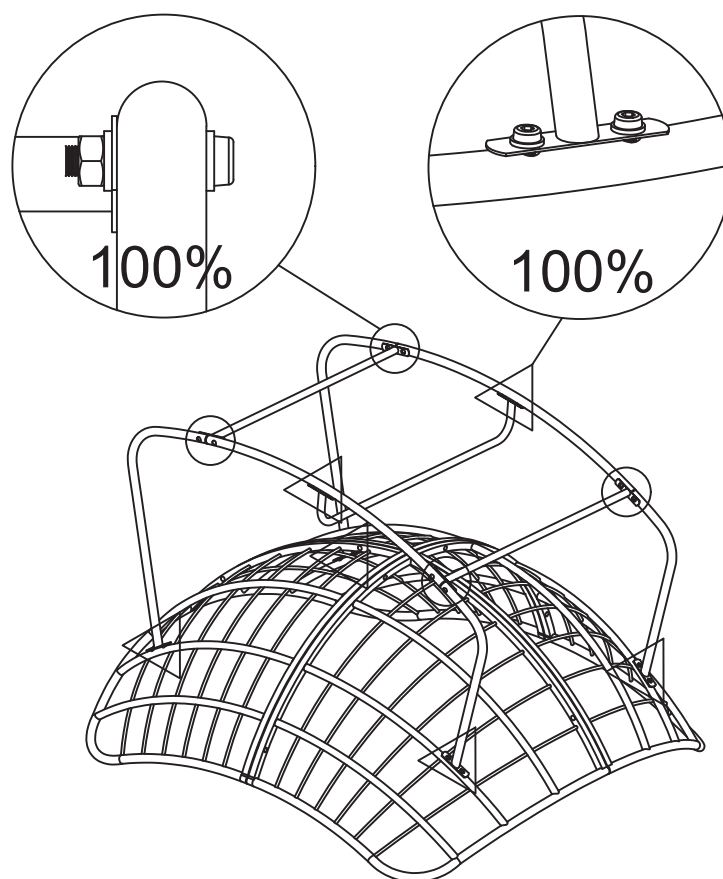

Align the screw holes on top of part (G) and part (F) and secure with screws (K) and washers (L), tightening only 50%.

Step 7

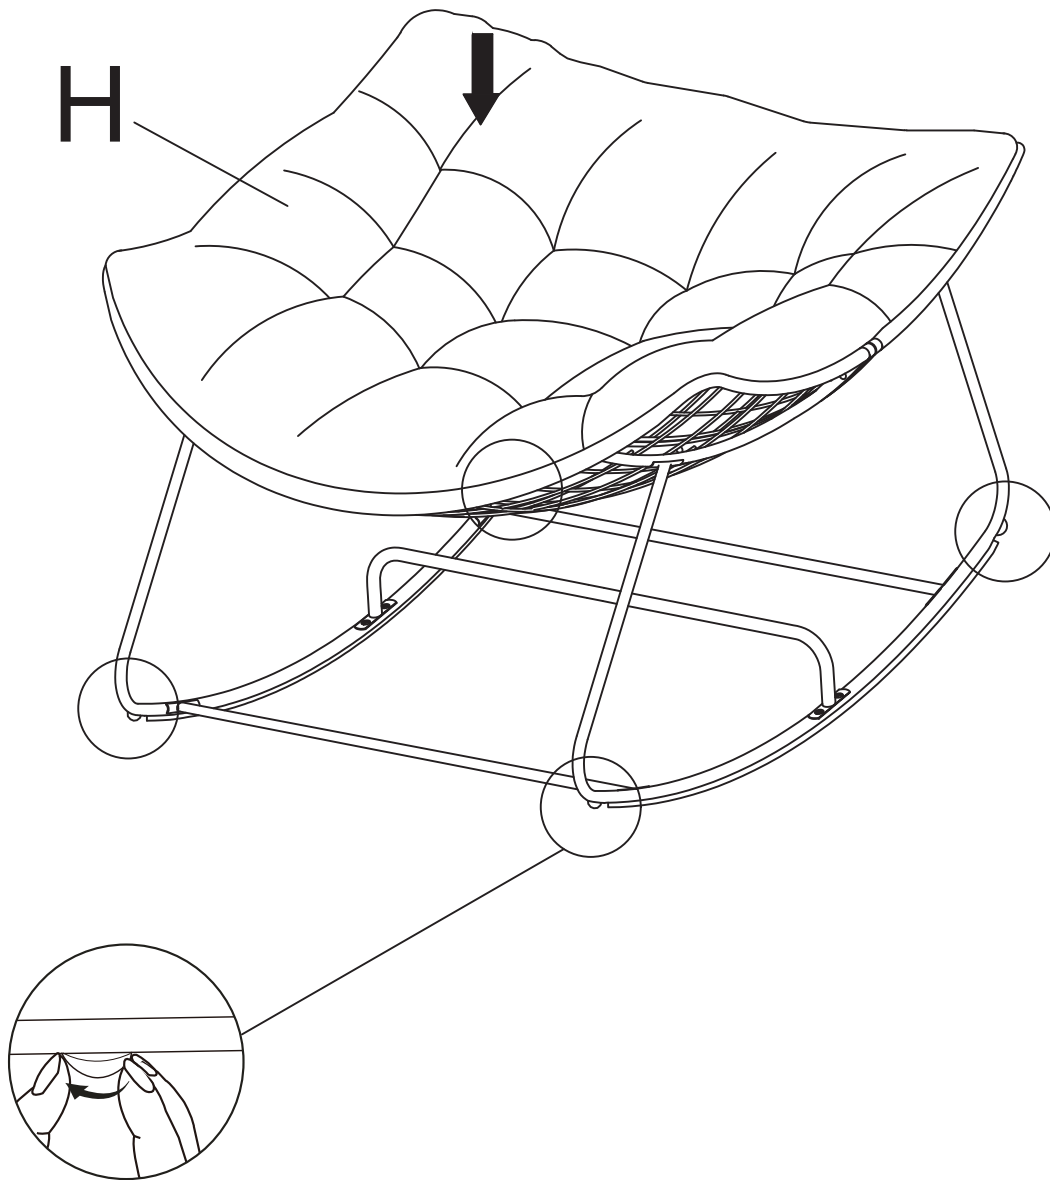

Step 7: Adjust the seat to ensure it is level, then fully tighten all screws securing the seat.

Step 8

Step 8: Fully tighten all screws securing the legs and all screws securing the connecting rod.

Step 9

Step 9: Install two non-slip pads on the bottom of each leg and place the cushion to complete the installation.
