Eloquent Thoughts4

Eloquent Thoughts III is part of a series of six works that hark back to the Abstract Expressionist movement that emerged in the mid-20th century. These works are characterized by bold, gestural marks that express action.

An abstract subject appears to be lost in quiet reflection in this energetic work. Featuring diverse marks and swathes of color that offer an industrial feel, a multi-color scheme in steel blue, alabaster, burnt orange, mustard, and dove grey lends strength to the work. An original addition to the carefully curated ART by TA Collection.
