Base Type: E26

Light Source Included: No

Voltage: 120VAC

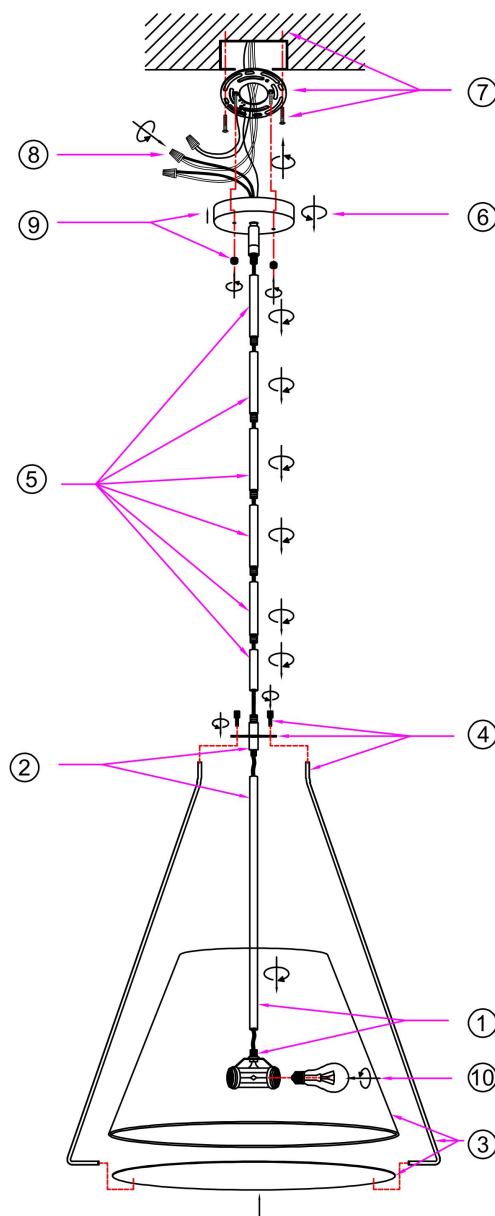

Wattage: 40W (per bulb)

Package includes

1 x Pendant Light

1 x Accessories Kit

1 x User's Manual

Installation Instructions

1. Screw the center downrod onto the lamp body.
2. Screw the iron piece onto the center downrod.
3. Insert the acrylic shade into the fabric lampshade, then use the lower end of the L-shaped frame to hook the fabric lampshade together with the acrylic shade.
4. Use the knurled nuts to secure the iron piece and the curved frame.
- 5-6. Pass the main wire through the downrod and tighten the downrod onto the lamp body. Also, pass the main wire through the ceiling plate, and screw the ceiling plate onto the downrod.
7. Secure the mounting plate to the junction box by using the mounting plate screws.
8. Connect the main wire (live wire and neutral wire) and ground wire to the corresponding reserved wires in the junction box by using the wiring caps. Be careful not to expose the wire to prevent leakage.
9. Place the ceiling plate over the mounting plate, then secure it by tightening the nuts.
10. Install the light bulb (light bulb not included).

Note: please use this product accordingly to its intended purpose, do not retrofit or remodeling the product. The warranty does not cover if the failure is caused by the third party product, or natural disasters.
