Brushed Nickel Finish
- **YB2324CH – 24" Towel Bar**  
Chrome Finish

### Materials:

**Towel Bar** posts are constructed of zinc. Bar is aluminum.

### Dimensions:

### Installation Instructions:

Directions below are for installation into drywall. If installing product into a stud, use the wood screws only.

1. Mark the appropriate distance for your towel bar on the wall where you want to install the product.
2. Use a level to ensure that the pilot holes will be perfectly level.
3. Using 1/4" drill bit, drill one pilot hole for each post.
4. Position mounting posts to wall by inserting wall anchors into pilot holes and pressing firmly. (Make sure that locking tab on mounting post is facing down.)
5. Tighten wall anchor screw while holding mounting post firmly in place. Tighten anchor until resistance increases. DO NOT over tighten.
6. Using tip of screw bit press wall spikes (metal pieces on outer edge of mounting post) into drywall.
7. Towel bar must be attached to mounting posts as a unit – insert towel bar into each post.
8. Attach posts by pressing firmly to mounting posts until it clicks. (The square opening at the base of the post must be facing down to matchup with locking tab).

### Cleaning Instructions:

To preserve the fine finish of this product, clean only with a soft damp cloth. Dry well. Do not use commercial or abrasive cleaners.
