EXPLORE THE LIGHT OPTIONS WITH WiZ

ALWAYS THE RIGHT MOOD: Set the tone for a romantic night in or a lively party with WiZ's expansive menu of color, intensity and custom pattern options so your home's look and feel are always in sync.

SAY THE MAGIC WORD: Turn on a light without the flip of a switch. Control your lights with voice command for extra convenience.

AT HOME OR FAR AWAY: Set light routines to mimic your presence when you're away.

GUIDED BY THE LIGHT: Become more in tune with your circadian rhythm by creating custom light routines that ensure you feel sleepy in the evening and alert in the morning.
