

Old Friends Unframed Wall Canvas

Congratulations on your recent purchase. In order to ensure that your glass art maintains its attractive appearance, proper and preventative maintenance goes a long way. Here are a few tips and tricks to help you do so:

Hanging Tips: Use the provided saw tooth metal attachments for hangings. Be sure to measure beforehand with a level. Place your screws the same distance apart as the saw tooth backs and then adjust the wall art to hang in place.

In Case of:

- **Fingerprints:** Spray a glass cleaner onto a paper towel or soft, clean cloth to remove any residue left from finger oils.

Routine Maintenance: Wipe the glass with a soft cloth once a week, in order to prevent dust from accumulating.
