Top Tips before you start!

1. Please check that all parts are present before you start the assembly of your furniture. Please keep all the packaging for the product until you are satisfied with your purchase as we cannot accept any returned item not in the original packaging.
2. For ease and speed of assembly, we recommend that before you commence each step of the assembly, that you identify all the parts required for that step.
3. For larger items, please ensure that you have sufficient space and people (as indicated on page 1) to assemble your product safely.
4. We recommend that, where possible, all items are assembled near to the area in which they will be placed in use, to avoid moving the product once assembled.
5. For the protection of your furniture we recommend that the product is placed on a protected surface during assembly to prevent any damage.
6. During assembly please take care not to over-tighten any fittings, as this may damage the product.

Care and Maintenance of your Furniture.

1. Please periodically check all fittings and re-tighten as necessary.
2. Please do not sit or stand on the table.
3. Please do not stand on the chairs.
4. Never allow any kind of liquid to remain on your furniture, absorption can cause wood to warp or finishes to de-laminate.
5. Please do not drag and pull your furniture.
6. To clean your items, please use a soft cloth moistened in luke warm soapy water. Then buff with a dry cloth.
7. To prevent damage to the table top, please do not place hot items (e.g. hot drinks) directly on the surface.

Note:

Please make sure you have the correct **Part G** to attach the table frame to table top.
Using any other bolt may damage the table top.
