Assembly Instructions - Please keep for future reference

Two people are required to assemble and move this model.

Important – Please read these instructions fully before starting assembly

Safety and Care Advice

- Check you have all the components and tools listed on the following pages.

- Remove all fittings from the plastic bags and separate them

- Keep children and pets away from the installation area, which may cause choking if small parts are swallowed.

- Make sure you have enough space to layout the parts before

- Do not stand or apply weight to the product during assembly. This may cause damage.

- Assemble the item as close to its final position (in the same room) as possible.

- Assemble on a soft level surface to avoid damage to the unit or floor.

- It's easier for two people to assemble the parts together.

- To reduce the likelihood of damage to your product, make sure your power drill is set to a low torque setting.

Care and maintenance

- Only clean using a damp cloth and mild detergent, do not use bleach or abrasive cleaners.

- Check for loose screws on this unit from time to time.

- This product should not be discarded with household waste. Take to your local authority waste disposal centre.

Handy Hints

- Assemble all parts and bolts loosely during assembly, only once the product is complete should you fully tighten the bolts

- Regularly check and ensure that all bolts and fittings are correctly tightened.
