White Oak/Coffee Bronze/Black

Introduce a bold statement to your living space with our Perret Cocktail Table. Crafted from rich white oak, the table's sleek round black glass top contrasts beautifully with the natural wood grain, offering a modern yet timeless appeal. The unique base features vertical oak and bronze slats that create a striking architectural feel, anchored by a sophisticated bronze band at the bottom for a touch of warmth and elegance. An ideal combination of style and functionality, this table is the perfect addition to any contemporary or transitional interior.
