Dear Customer:

Thank you for choosing our products! To ensure you have the best user experience, please read this manual carefully.

Usage method:

Open the box and check if all the accessories are complete.

2. Assemble as shown in the illustration/video (if necessary).

3. Operate as per the instructions.

Notes:

Do not use in damp or high-temperature environments.

Keep the packaging and warranty card for after-sales service.

After-sales service

If you have any questions, please contact the store customer service and we will get in touch with you as soon as possible.

Wish you a pleasant use!
