IMPORTANT SAFETY INFORMATION

Please read and follow all safety statements, warnings, assembly instructions, use & care directions before attempting to assemble the Gazebo.

- When installing and assembling your gazebo, it is recommended that 2 or more adults are involved.
- **DO NOT** use the unit during an electrical storm, as there is a remote chance of getting struck by lightning.
- **DO NOT** climb on top of the gazebo. Falling off the gazebo can result in serious injury, possibly even death.
- **DO NOT** leave the gazebo assembled when there is a risk of high wind, as possible damage will occur to the structure.
- **NEVER** barbecue under this gazebo or use lanterns that contain naked flames.
- This package contains small items and plastic bags that should be kept away from children.
- Ensure that all connectors & poles are firmly secured in position fully. It is important to do so before use so as to avoid collapsing or damage to the item, which could result in injury.
- **WARNING:** Keep flame and heat sources away from the gazebo fabric. The fabric may burn if it is exposed to prolonged contact with a source of heat.
- It is the consumer's responsibility to comply with any building codes, ordinances, zoning limitations, or local homeowners restrictions and obtain any required permits.
- Two persons are required for assembly. The tools required are a screwdriver, stepladder and other safety items such as gloves, eyewear and hard hat. To avoid injury from exposed sharp edges, it may necessary to use the above safety equipment.
- This gazebo will take at least 5 hours to set up. You must schedule enough time to complete the assembly. **DO NOT** leave the Gazebo unattended if not fully assembled, even if it is bolted to the ground.
- The screws to anchor on a wood deck and concrete patio are not included.
