C10474 • English Fretwork Huntboard

37.5h x 55w x 18.5d
Wood

Refined craftsmanship meets timeless elegance in this English Fretwork Huntboard. The piece features a striking flame-grained, cross-branded top in a warm walnut finish, lending depth and sophistication to its surface. The sides are adorned with intricate fretwork, also in warm walnut, set against antique mirrored panels that create a subtle play of light and dimension. Elevated on tapered legs with brass ferrule feet, this huntboard seamlessly blends classic design with a touch of glamour
