
ERGONOMIC CHAIRS

NOW ACTIVATING YOUR SEATING EXPERIENCE

Out with the old office chair, in with the new twist on active seating. We provide movement and adjustability that meet the needs of today's mobile work environments. Whether you prefer to perch, lean or sit, we create a comfortable and playful seating experience that provides small movements that may help engage your core and keep the body in an active posture.

THE NEW TWIST ON OFFICE SEATING

PRODUCT SPECS & FEATURES

- Ergonomic, height-adjustable, active seating chair designed to help support better posture and balance
- Flexible ring under chair base allows user to adjust seating angle to perch, lean or sit
- Pneumatic seat height adjustment controlled by an easy-to-reach ring under the seat, so the user can adjust seat height from any position
- 360-degree swivel for enhanced mobility
- Underside of upholstered seat features a finger groove that functions for easy lift and portability
- Color choices include Black, Blue, Green, Orange or Black Vinyl; Fabric grades 1, 2, 3 or COM also available.
- Base available in black, white or silver
- Available in extended-height or sitting-height options
- Designed by Thomas Walser
