WALES SIDE TABLE

Atelier Casegoods Collection

HC9186-10

W 25in D 25in H 26.5in

The Wales Regency Side Table is aptly named for the classic three feathers of the Prince of Wales crest with its trio of elegantly shaped leg supports. A modern interpretation of a classic Regency-styled table, the Wales has a subtle bead detail on the edge of the top with a stunning Santos Rosewood veneer radiating out from the center. The tri-leg supports a beautifully tapered column that joins the triangular base with a stepped edge and sits upon shaped pad feet. Standard in Wales Truffle finish.
