BEAN BAG SET-UP INSTRUCTIONS

Gather the bolster pillow and two seat cushions, keep them nearby, and lay the open cover flat and upside down on the floor. Gather the bolster pillow and two seat cushions, keep them nearby, and lay the open cover flat and upside down on the floor.

Place the bolster pillow into the backrest of the cover. Place the seat cushions atop the bolster pillow, side by side, with the narrow ends facing the cover's back.

Zip closed and flip over

Store the cover indoors when not in use to extend longevity.

To clean, remove the cover, machine-wash cold with mild detergent and hang dry. Do not wash the inner liner.
