# Tips:

1. Due to package compression for better shipment, the fabric may have wrinkles. When you find anywhere was wrinkled on the sofa, you can use the steam electric iron (the temperature is no more than 100 °C) to smooth the wrinkles out of the sofa.

2. After opening the package, waiting for 72 hours, let the air completely enter the sponge, and the sofa slowly to bounce back naturally.

**72h**

It might takes up to 72 hours.
