TOOL LIST

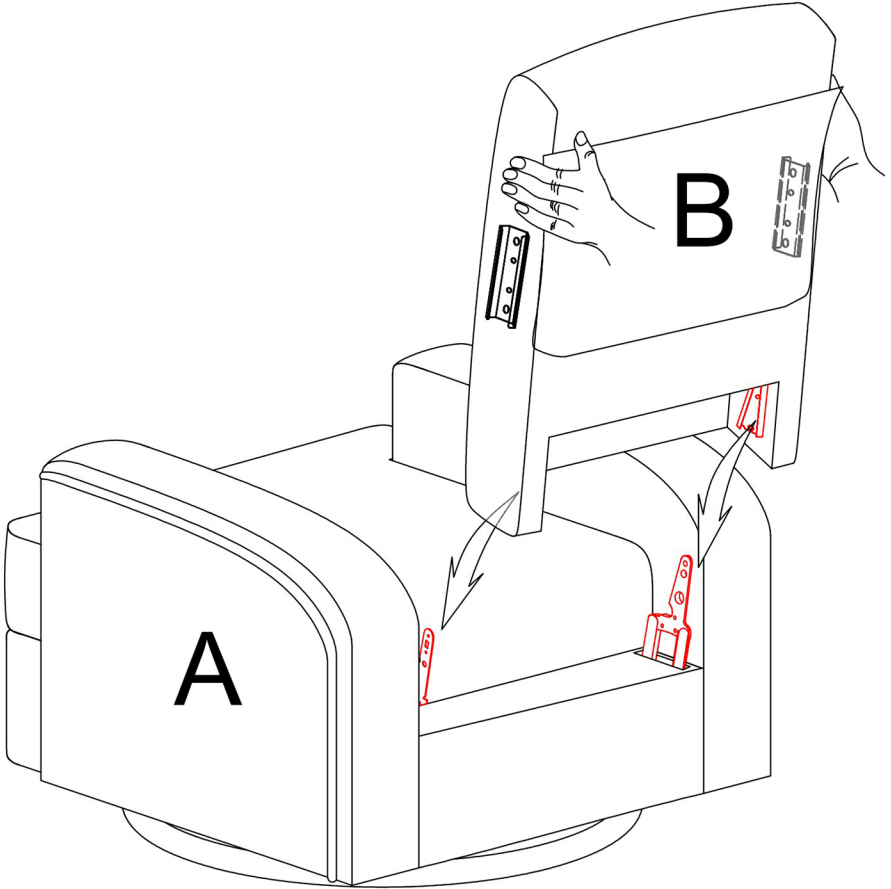

Please be aware:

This chair does not come with extra accessories fittings (such as bolts, washers etc.)

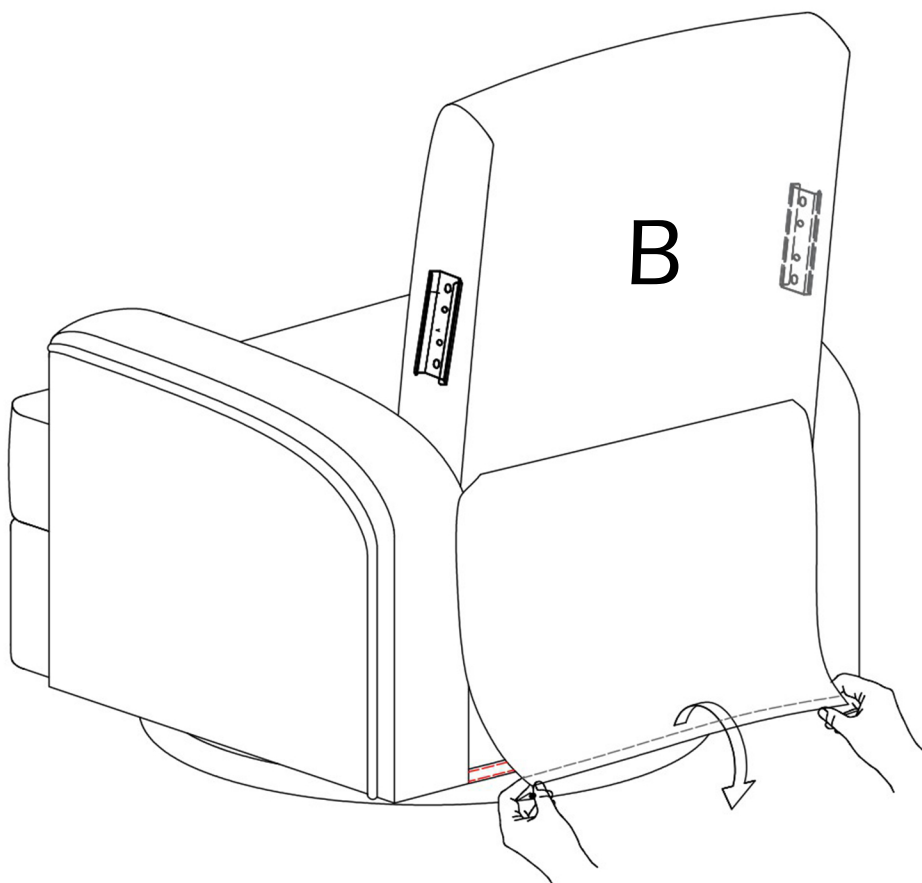

step 1

Install the backrest (B) to the seat frame (A) by inserting the connectors into the slots as shown, make sure they are both correctly aligned before pushing it down.

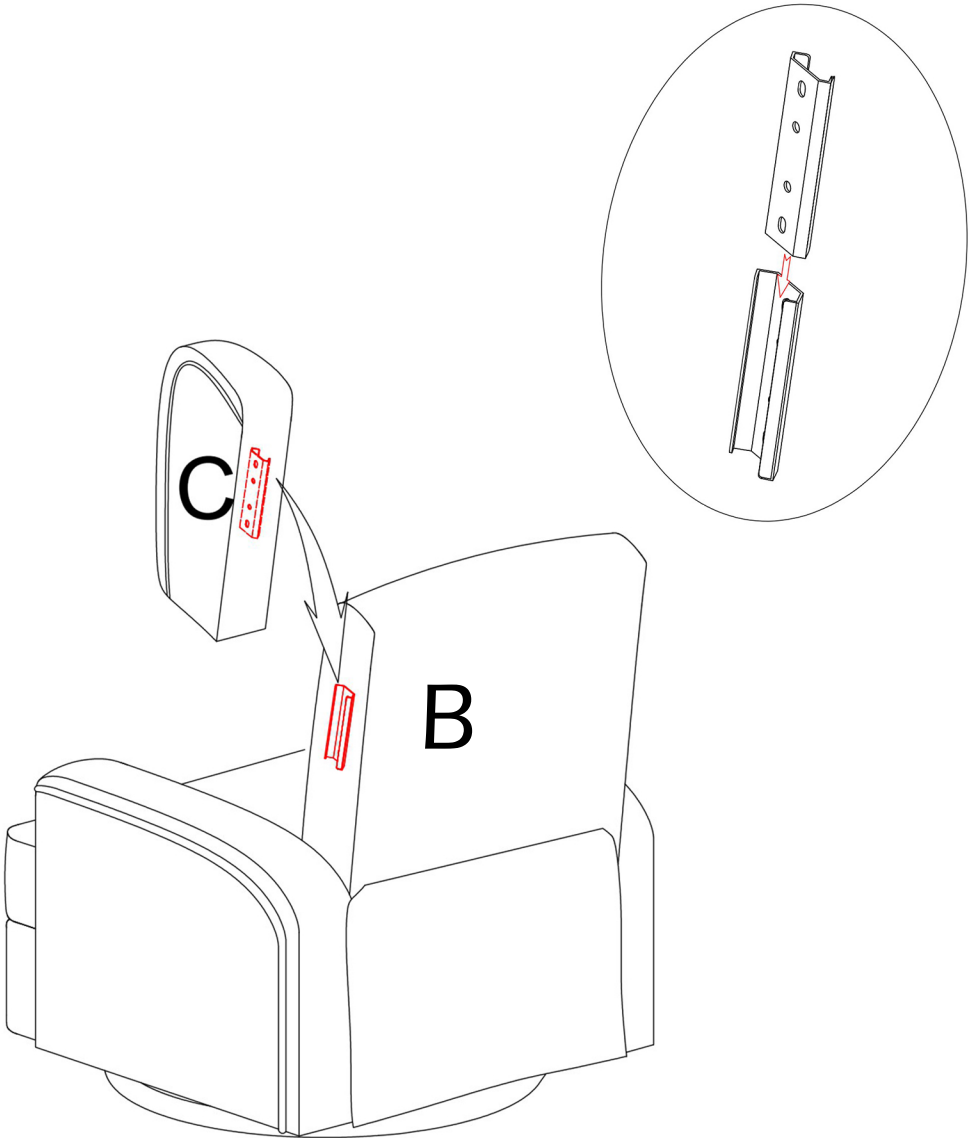

step 2

After the backrest is installed, stick on the Velcro tape on the back.

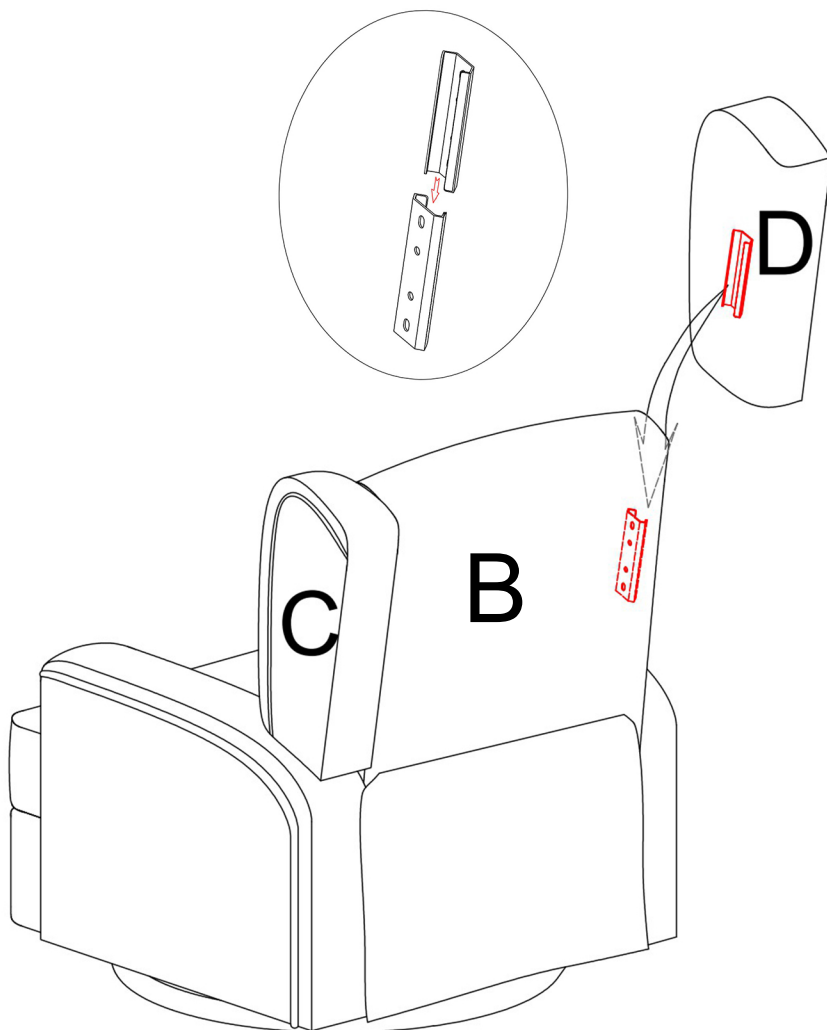

step 3

Then install the ears (C) onto the backrest (B), make sure the connectors are aligned with the slots before pushing down.

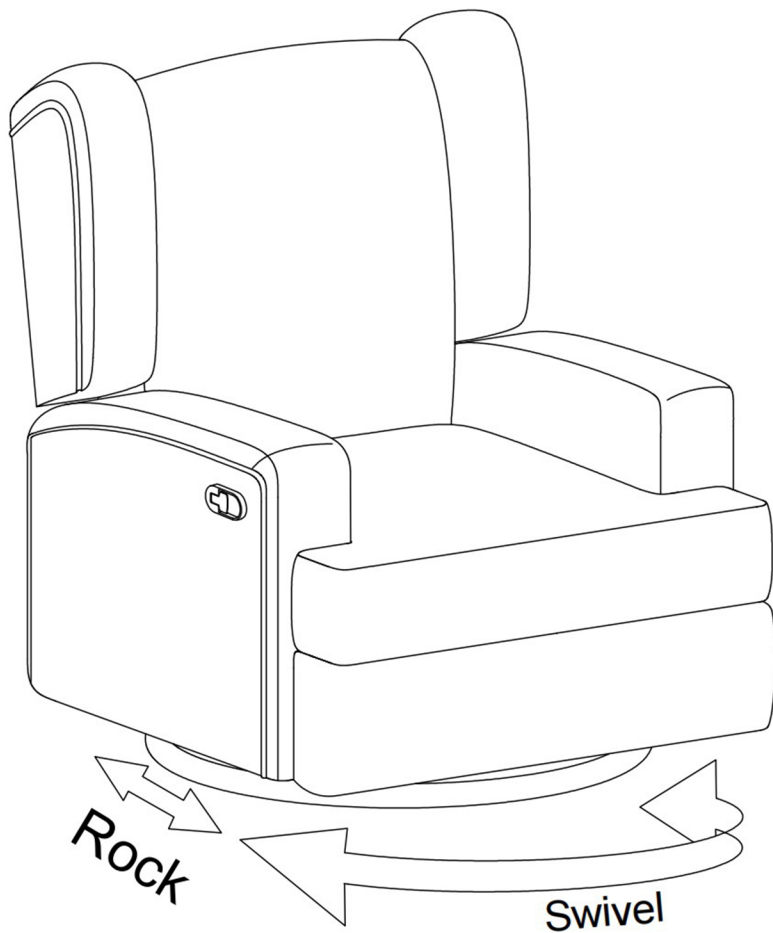

step 4

Then install the ears (D) onto the backrest (B), make sure the connectors are aligned with the slots before pushing down.

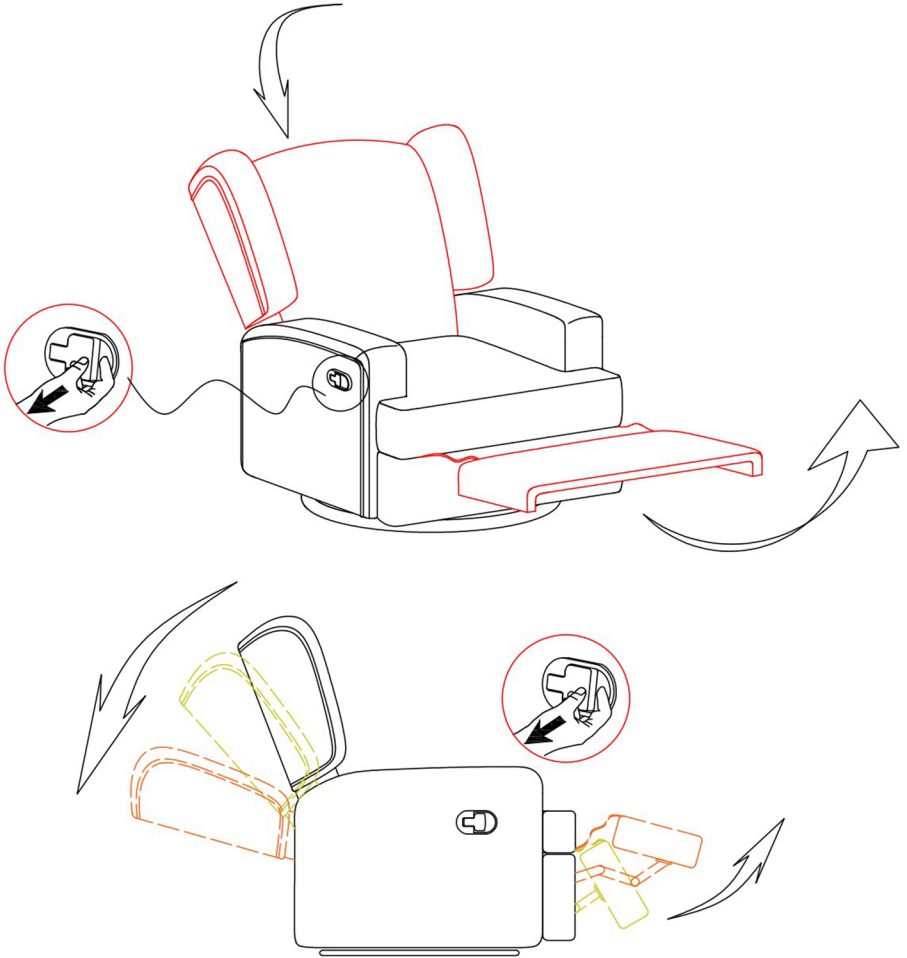

step 5

This chair has both rocking and swivel functions.

step 6

There are three gears of recline adjustment for this chair, just simply pull the handle on the right armrest as shown, and easily apply some force to the backrest, you will be able to change the sitting posture for this chair.

step 7

Congratulations! You have finished the installation! Thank you so much for choosing our product! Please enjoy!
