Making The Best Outdoor Furniture For You

Made in China

Before Starting Assembly:

- Read all instructions thoroughly.
- Open and check boxes for parts list.
- If any parts are broken or missing, please call or email customer service.
- Keep all packaging until you are satisfied with your product.
- Returns are not accepted without original packaging.
- Make sure you have ample space for assembly.

Safety Information

- Tighten each bolt firmly and properly. Do not completely tighten screws until all screws are started.
- Some parts may contain sharp edges. Wear protective gloves as necessary.
- Children under the age of 16 should not be engaged in the assembly, removal or disassembly of the product. Children under the age of 10 should be supervised by a competent adult while using this furniture.
- Please keep children out of the assembly area during assembly.
- Never use this product as a support. Do not shake, lean, or climb on the product at any time.
- Do not erect the structure in heavy winds or inclement weather.
- Do not leave up this unit for extended periods of time, as it is not a permanent structure or designed to withstand sustained wind or rain. It is a temporary shelter that shields you from sunlight and rain.

Installation requires three people to assemble and wear gloves and safety hats, install the product on a flat ground, and install the foot tray with expansion screws to avoid tipping over. On snowy days, clear the snow on the roof of the shelter in time. The snow depth should not exceed 30cm, otherwise it may collapse.

DANGER: Do not allow children to touch parts of this product Or small parts to prevent potential hazards.

CAUTION: Read all the instructions before assembly. Failure to do so may result in faulty assembly and potential injury!

Pre Assembly Note

1. Four or more people are required for assembly.

5. Wearing protective gloves is recommended.

2. You will need one or more stepladders.

6. Use the allen key in the box.

3. For ease of construction, you may need touse a drill.

7. Please use a Phillips screwdriver.

4. You may need a safety hat.

8. Do not fully tighten screws prior to complete assembly.
