

Ashi Sofa

110996

Mixed materials and contrasting colours give the Ashi Sofa an elevated design. Soft cushioning upholstered in nash zebra fabric provides ample comfort. Stitched detailing on the side of the arms gives a subtle geometric design that enhances the coal black faux leather frame. Satin brass aluminum on the legs and trim on the front of the arms ties the look together. Handle With Care: This design has been crafted with faux leather. Faux leather is manufactured to reflect the natural characteristics of leather; as such, colour variations, markings, wrinkles, grooves, and light scratches are appreciated characteristics. No two pieces will be alike. Visit our Product Care page for more information on how to ensure the lasting beauty of this piece.
