

LOCKLY®
Enjoy the freedom™

Lockly Vision

Deadbolt Edition
PGD798xx

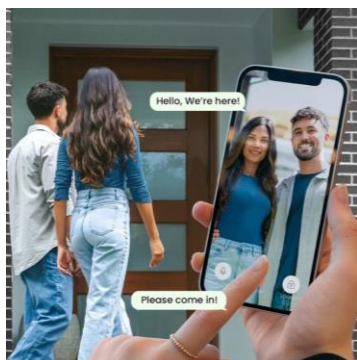

Lockly Vision™ revolutionizes home security with its sleek and innovative design, combining a smart lock and HD video doorbell into one device. With Lockly's cutting-edge smart lock features and the added security of a video doorbell, you'll have complete control over your home's security. Verify visitor identities, have conversations, and even remotely unlock the door through the live stream on the Lockly Home App, no matter where you are. With advanced technologies like the 3D biometric fingerprint sensor, peek-proof PIN Genie® keypad, and real-time monitoring capabilities, Lockly Vision™ offers unmatched convenience and protection.
