MAINTENANCE AND CARE

Follow the instructions for the product's material to ensure it stays in the best situation as long as possible. The information below is a general guideline. Don't hesitate to get in touch with us to learn more.

- Only rinse it thoroughly with clean water to wash away dirt and grime. Do not use abrasive cleaners on your furniture as they can erode the surface and leave scratches.
- For stubborn grime and stains, use a soft sponge and mild soapy water. Then dry it with a cloth or paper towel.
- We recommend the use of furniture covers to protect the product when not in use.
- Check the stability of the screws, nuts, and nut caps before each use. Then, tighten them up after one to two months' use whenever required.
- Avoid improper use, and be careful not to scratch or damage the surface with sharp objects.
- When you move your furniture, lift it rather than pulling or pushing it to avoid damaging the floor and legs.
- In order to prolong the life and beauty of your product, we recommend storing it in a dry and protected area during off season periods.
