

Solar Powered Black Spotlight Instruction Sheet

Product Details:

- A. 2 Solar Powered Spotlights
- B. 2 Anchor Stakes

Assembly Instructions:

1. Connect the anchor stakes to the spotlights.

2. Place the spotlights in direct sunlight and push the anchor stakes into the ground.

3. Turn on the solar panel and position it towards the sun.

Helpful Tips:

- Outdoor use.
- Weather resistant.
- Allow spotlights to charge all day in direct sunlight.
- The spotlights will automatically come on at night.
- Make sure the "on/off" switch on the back of the solar panel is set to "on".
