Product Details

- Crafted with a lightweight aluminum frame and breathable mesh for lasting comfort and durability.
- Designed for outdoor use, the cushions are made with a quick-drying, mildew resistant foam and an additional waterproof barrier, allowing for maximum water drainage and air circulation.
- Upholstered with Sunbrella® performance fabrics, which are designed to stay beautiful over time and are resistant to stains, water, and fading.
- Powder-coated steel feet with adjustable glides for stability on any surface.
- Sunbrella® fabrics are Greenguard Gold certified and contribute to healthy indoor air by meeting standards for low chemical emissions and VOCs.
- Clean Air Certified, this piece meets strict standards for low chemical emissions, helping keep your home's indoor air fresh and healthy.
- To protect the products finish and to extend the life of your outdoor furniture, store in dry location when not in use or during periods of inclement weather. We cannot warrant against chipping, scuffing, fading or corrosion, especially in seaside or harsh urban environments. [Learn more about how to care for your outdoor furniture here.](#)
- Minimal assembly required. Legs attach to the frame with the provided hardware.
