Bolts

J*1

Allen key

K*1

Hook

L*6

Flat washer

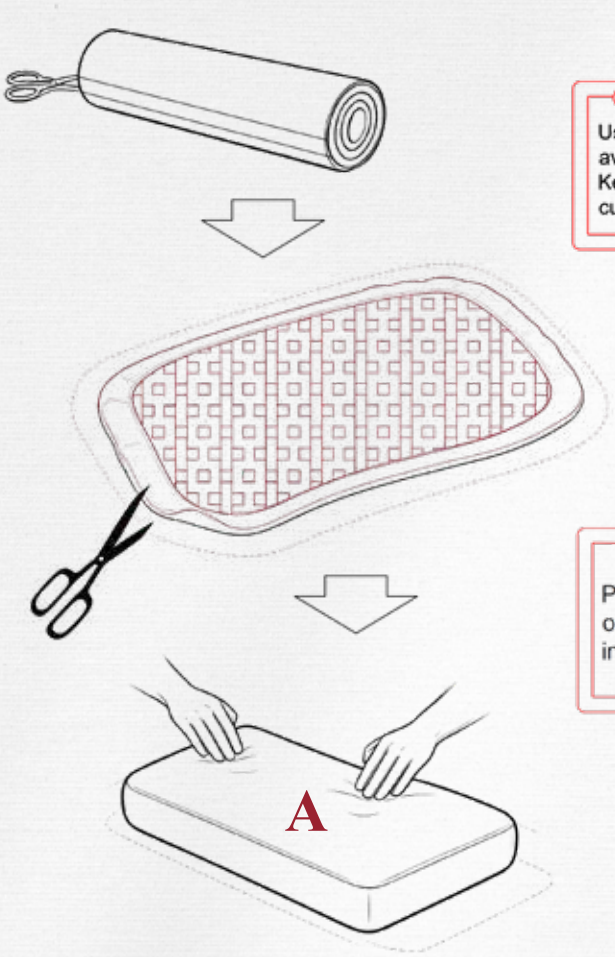

M*6

Soring washer

STEP1

Take the rolled seat cushion (A) out of the box. Cut open the compression bag along the paper strip. The cushion may need up to 48 hours to fully expand; gently pat it to speed up the process.

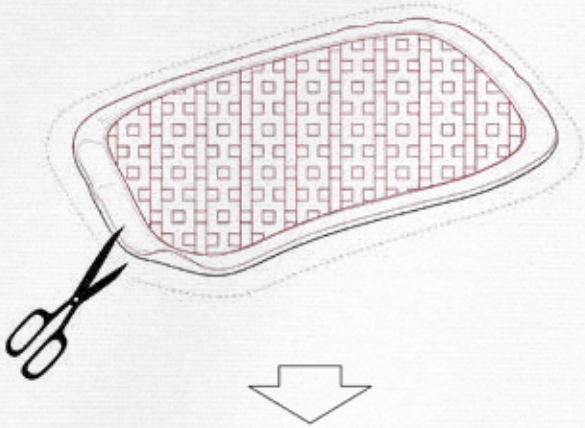

Use care when opening the bag to avoid injury from sudden expansion. Keep away from face and body while cutting.

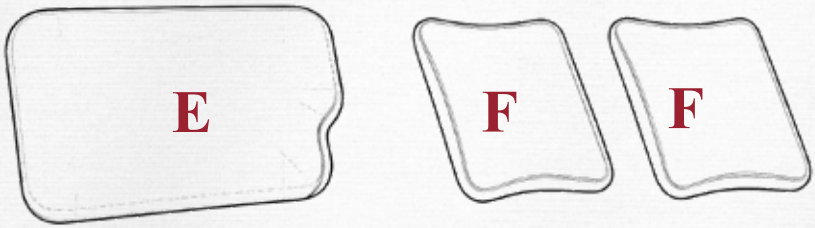

Please exercise caution when opening the packaging to avoid injury or damage to the product.

STEP2

Cut the plastic air compression bags, and take out the cushion (E&F). Let it recover to its original shape, the whole recovery process might take 48 hours, you may gently slap on it to speed up the process.

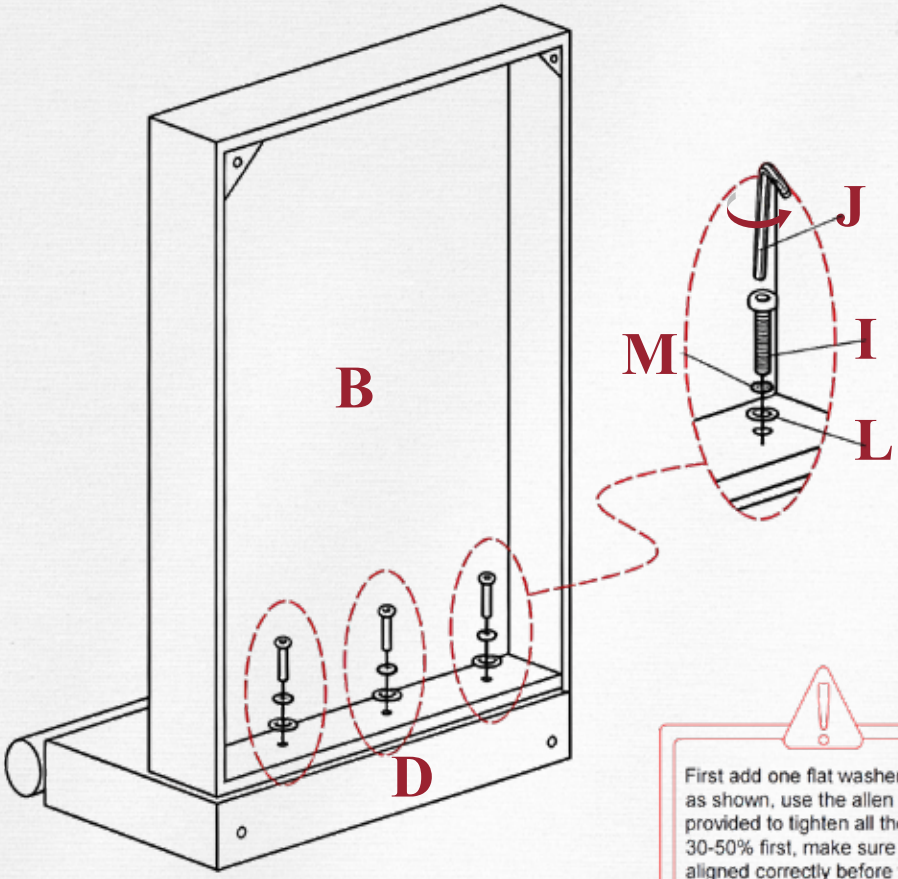

Please exercise caution when opening the packaging to avoid injury or damage to the product.

STEP3

Place the sofa frame (B) on its side as shown, then align the screw holes on the backrest (D) with the screw holes on the sofa frame. Use the allen wrench (J) provided to tighten each screw with one spring washer (M) and one flat washer (L), make sure they are all correctly aligned before fully tighten the screws.

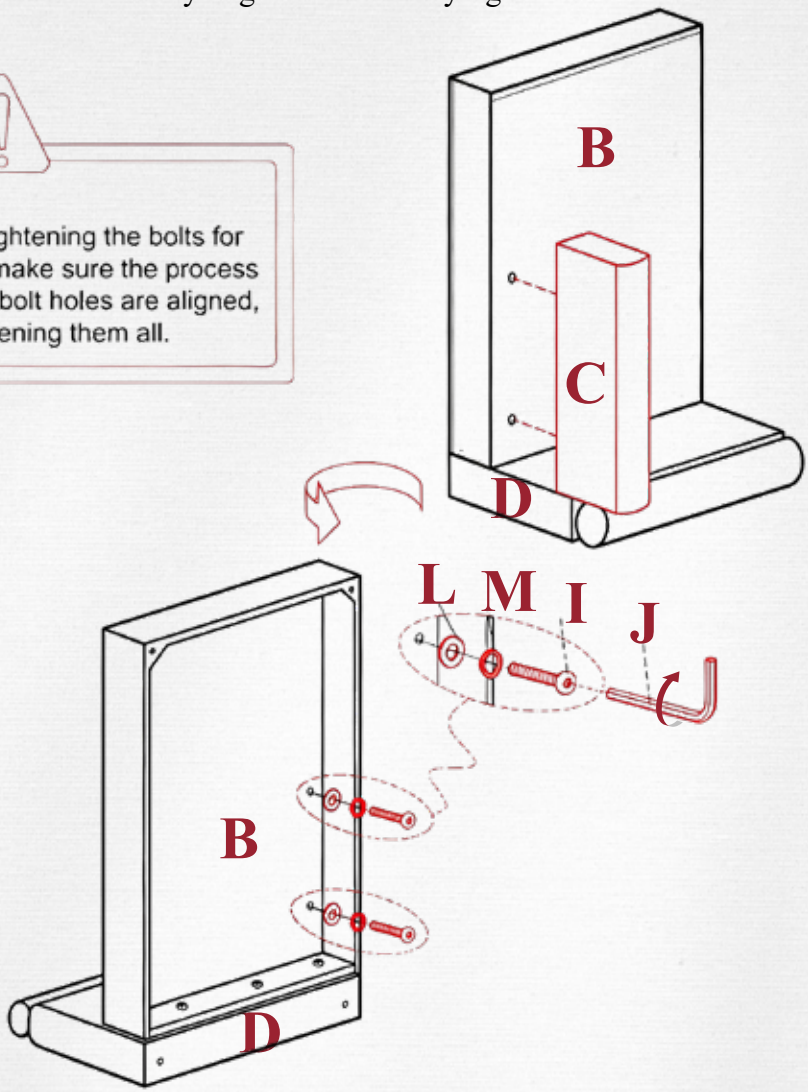

First add one flat washer on each bolt as shown, use the allen wrench provided to tighten all the bolts by 30-50% first, make sure that all bolts are aligned correctly before fully tightening.

STEP4

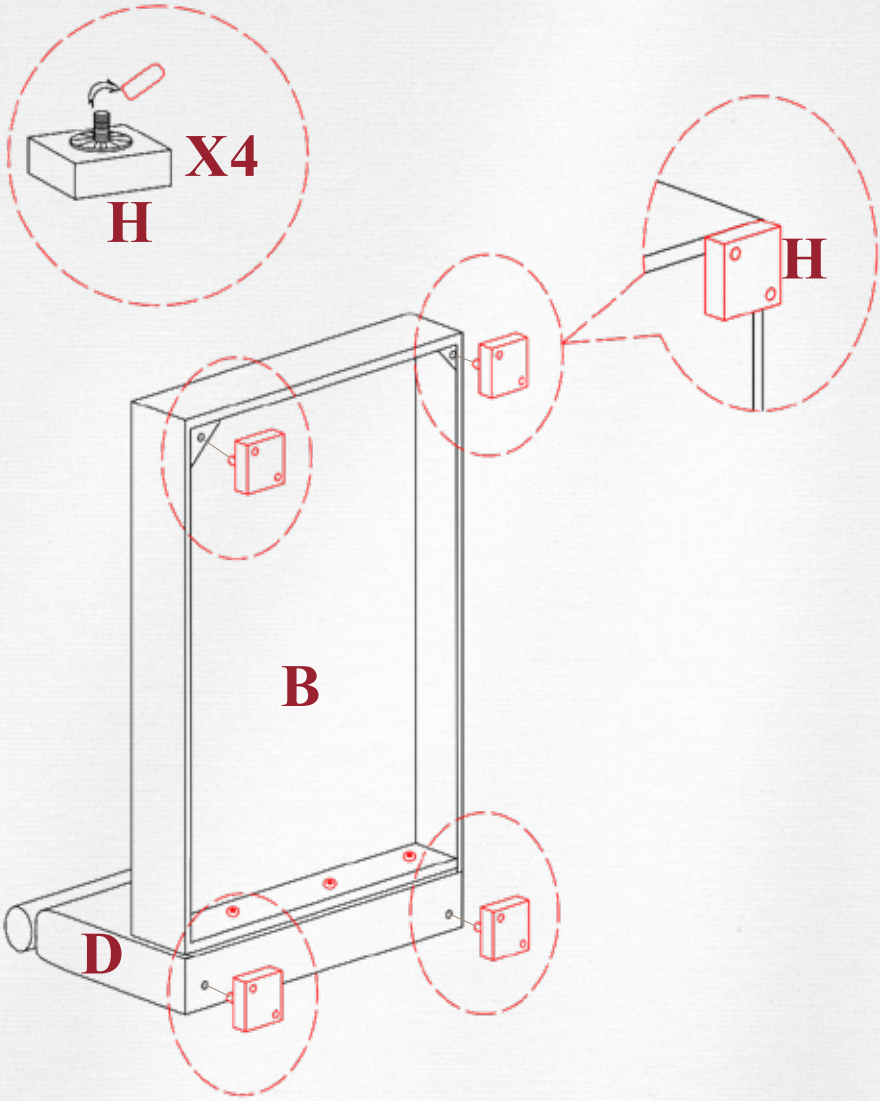

Align the armrest frame (C) with the holes on the sofa frame (B) as shown, then use the allen wrench (J) provided to tighten each screw with one spring washer (M) and one flat washer (L) from the bottom. Make sure all the screws and holes are correctly aligned before fully tighten.

Notice:
We suggest tightening the bolts for 30-50% first, make sure the process is correct and bolt holes are aligned, then fully tightening them all.

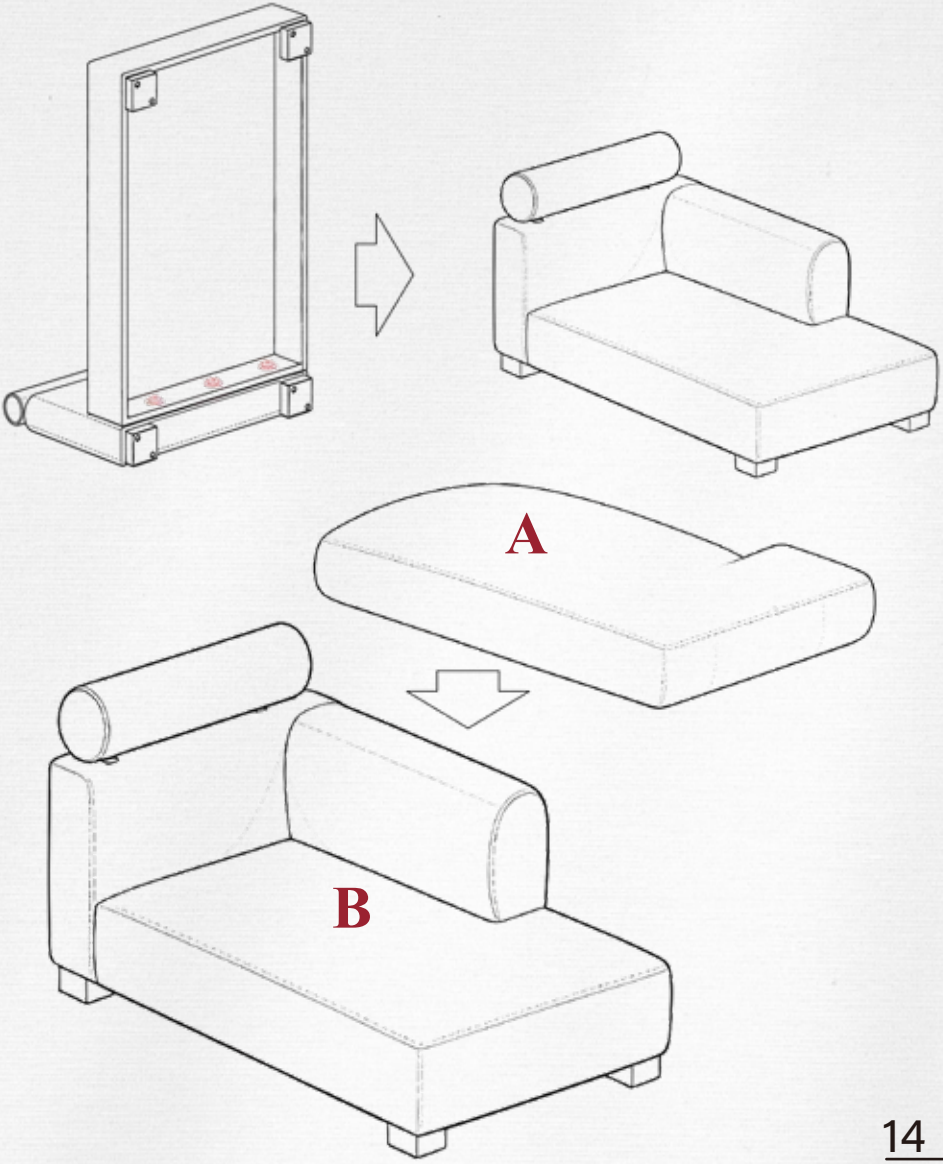

STEP5

Please remember to remove all the plastic caps off the sofa leg screws as shown.
Flip over the sofa frame (B) as shown, then twist in all the legs (H) into each corner of the sofa frame, make sure they are all tightened.

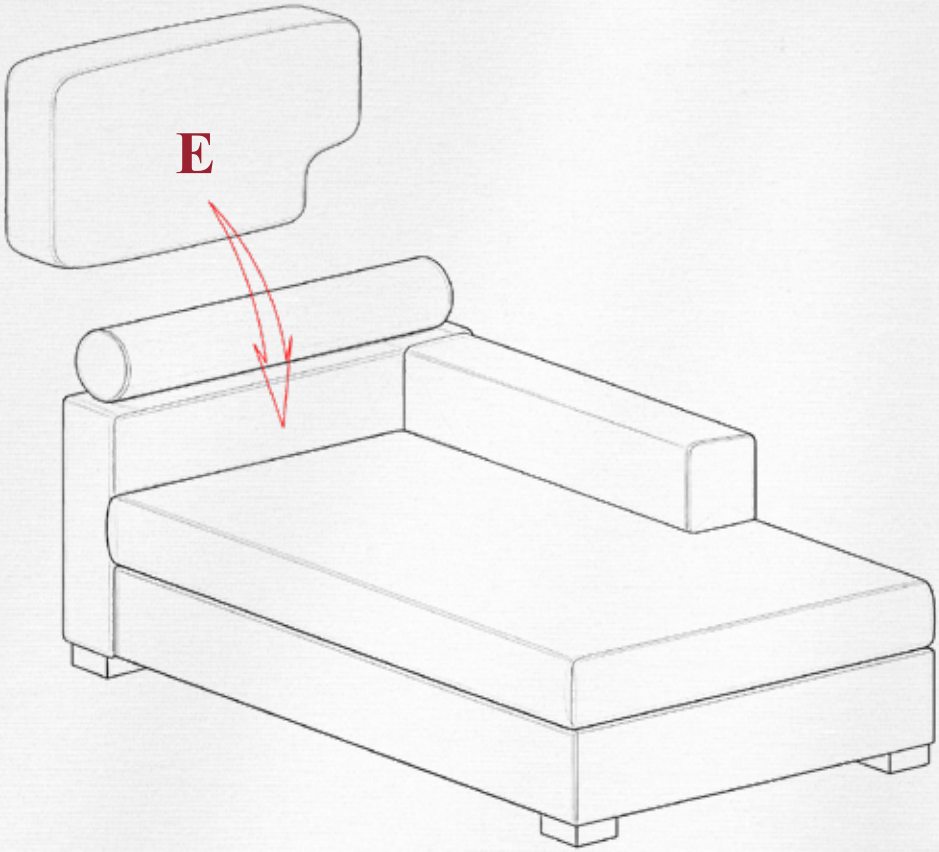

STEP6

Flip the sofa and place it upstraight on the ground as show.
Place the seat cushion (A) onto the sofa as shown.

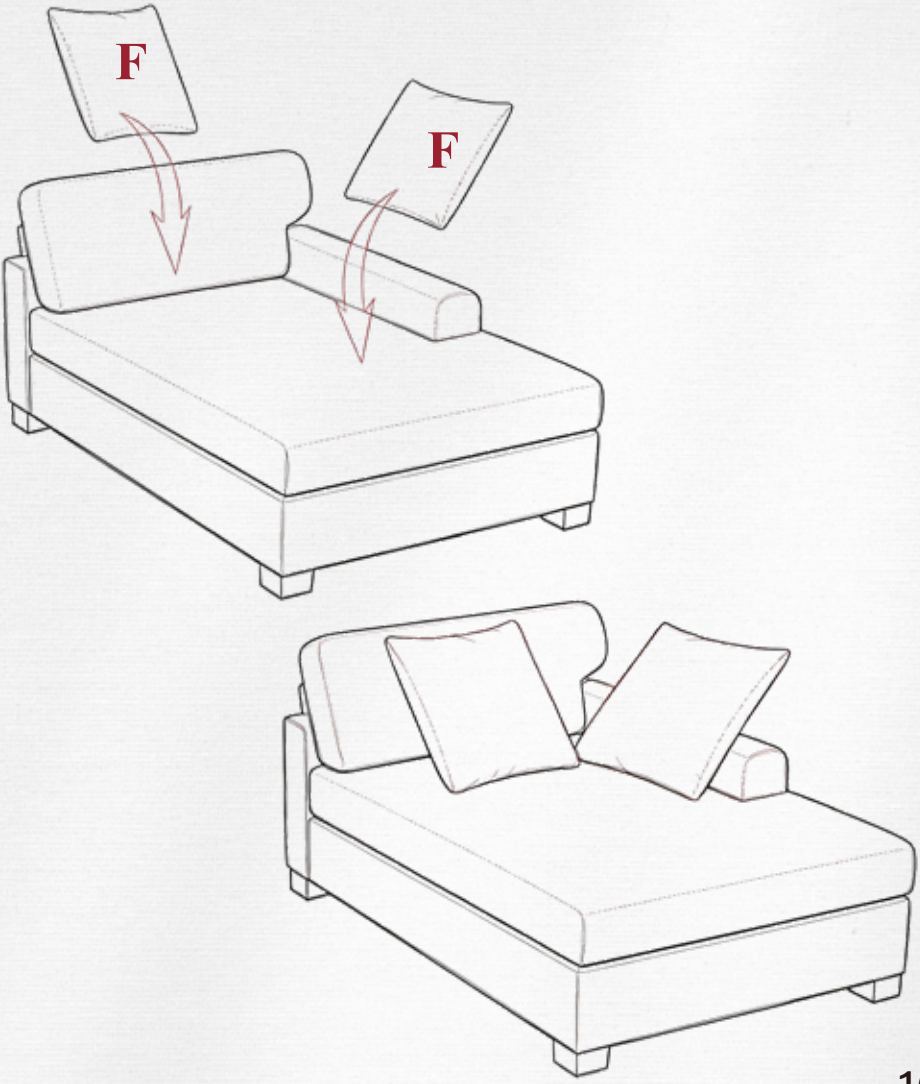

STEP7

Place the back cushion (E) onto the sofa as shown.

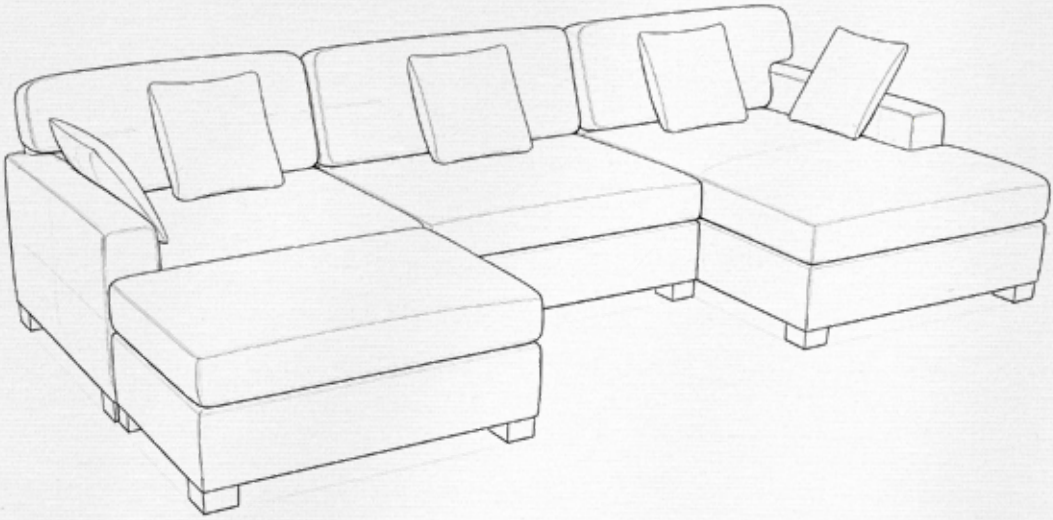

STEP8

Place the throw pillows (F) onto the sofa as shown.
Congradulations! The assembly has complete! Thank you again for choosing our product, please enjoy!

STEP9

How to put Sofa Modules together.
This modular sofa has multiple combinations. Here, one of the combinations is shown.

STEP10

A metal hook (K) is included in the carton; it is not needed for a single sofa, but when combining this sofa with other components (ottoman, chair, chaise, etc.), use the hook to fix the two parts together from underneath and prevent them from shifting during use.
