# PRODUCT DESCRIPTION

Refined One-Piece Silhouette – Designed with a seamless, integrated form that eliminates unnecessary joints, creating a clean and cohesive modern profile suitable for contemporary interiors.

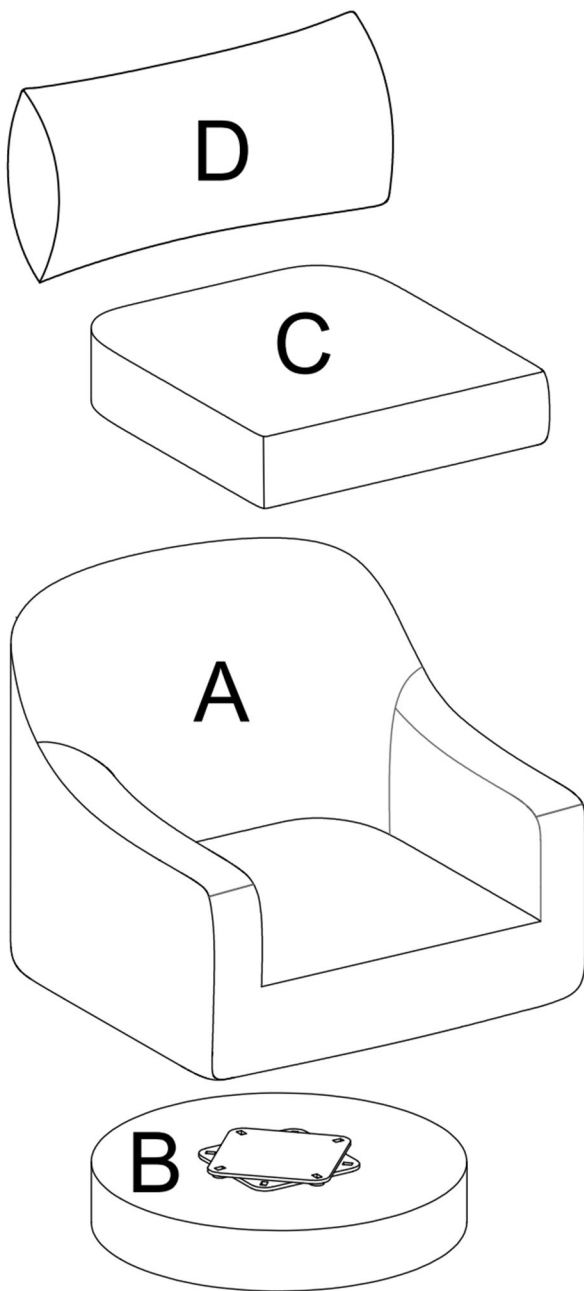

Flowing Curved Geometry – The backrest and armrests transition naturally into one another, reinforcing visual balance while enhancing comfort and support. Rounded edges soften the overall appearance and improve everyday safety.

Wide Armrest Comfort – Broad armrests provide ample resting space for arms without interrupting the streamlined design language.

Textured Chenille Surface – Soft, durable chenille upholstery delivers a refined tactile experience while remaining easy to maintain for daily use.

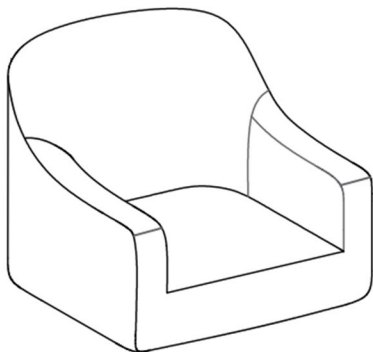

Functional Swivel Foundation – A metal swivel base finished with wood-grain detailing offers both structural stability and visual warmth, enabling smooth 360-degree rotation. Includes a matching lumbar pillow for added comfort.

# step 1 ---Adjust the Chair base

If the received turntable is not installed in the correct position as shown in the picture, please follow these steps to operate.

Align the mounting holes of the square turntable with the four screw holes on the swivel base.

Correct installation position

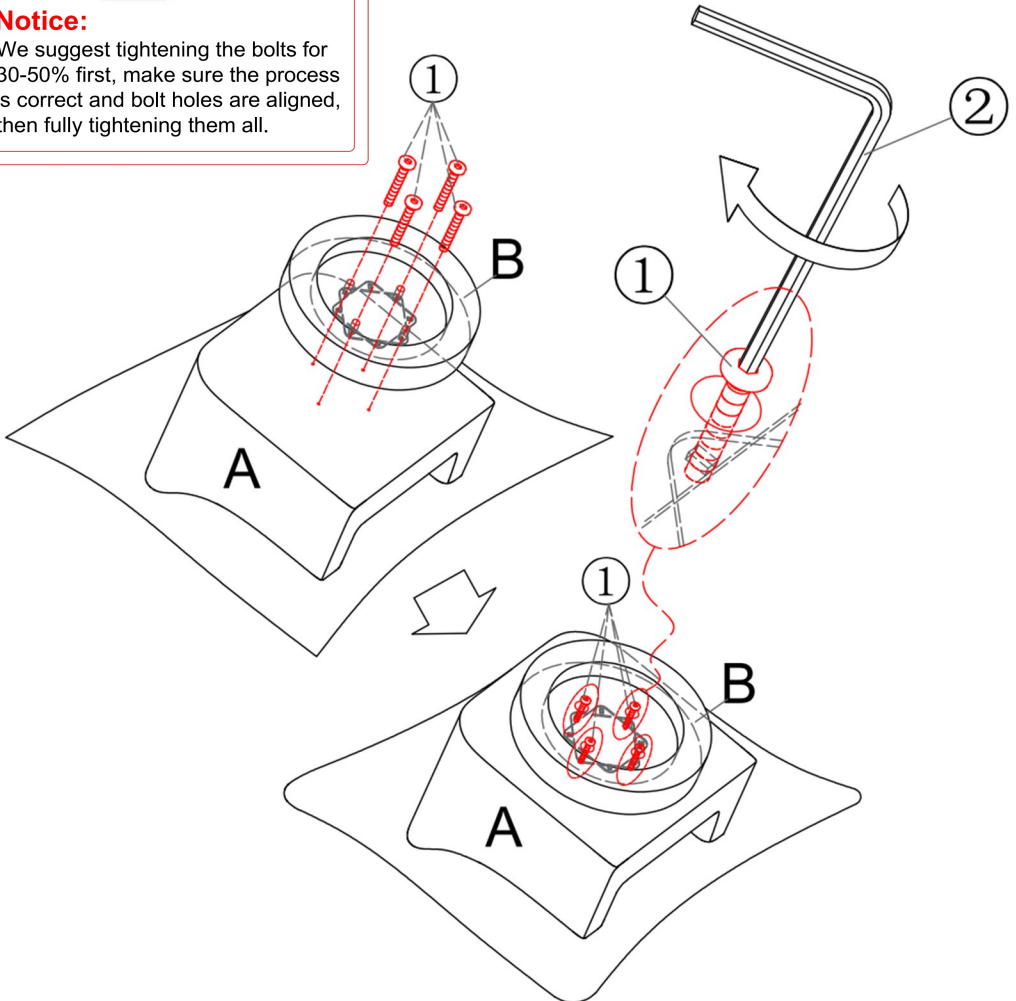

# step 2 ---Install the Chair base

Use the allen wrench (2) provided to tighten the bolts(1). Make sure all the bolt holes are correctly aligned before tightening all the bolts.

**Notice:**

We suggest tightening the bolts for 30-50% first, make sure the process is correct and bolt holes are aligned, then fully tightening them all.

# step 3 ---Place the seat cushion (C) & the pillow (D)

Place the seat cushion (C) on it.

Place the Pillow (D) on it.

Place the chair properly and tidy it up to make it look nice.

Assembly is complete. Thank you for choosing our product!
