Have a great day!

INSTALLATION GUIDE

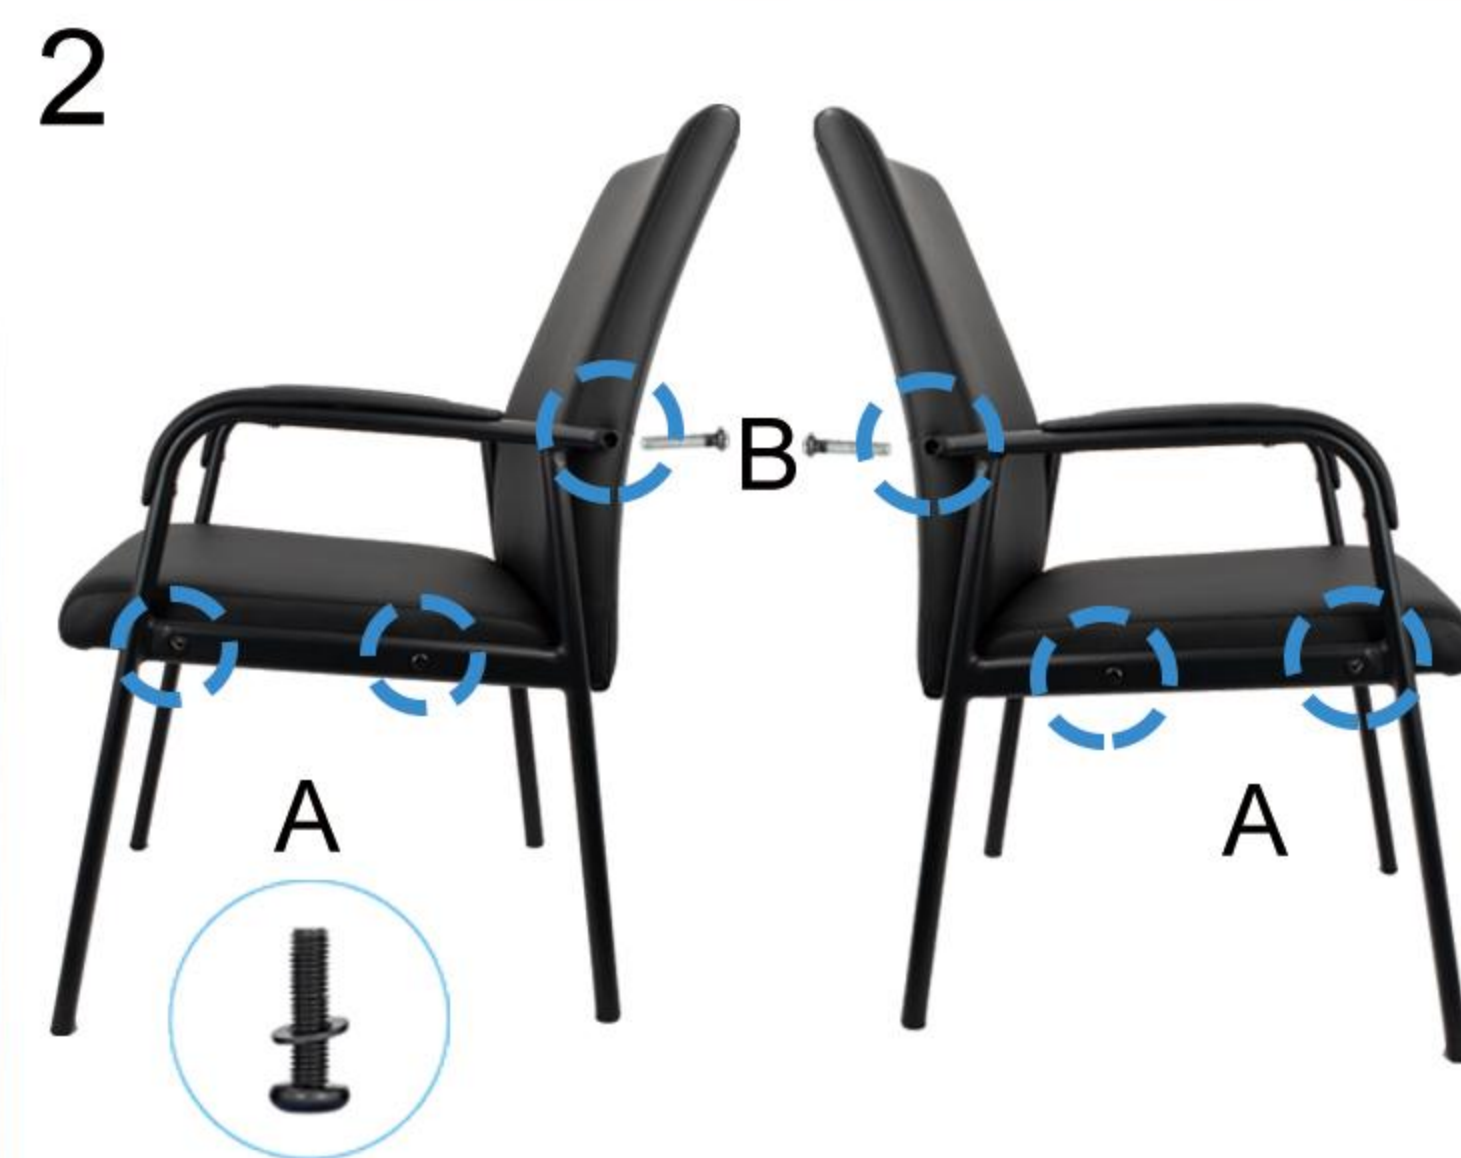

Note:

- Please read the instructions carefully before assembly.
- Remove all parts from the carton and ensure all parts are included prior to assembly.
- Assemble the chair on the carton or carpet to prevent scratches.
- Be careful not to cross-thread screws and do not use power tools.
- Before using the chair be sure that it is completely and properly assembled.

INSTALLATION INSTRUCTIONS

1 Connect the seat back cushion and the four screws first, it can't be tightened.

2 Install the three screws on the side, it can't be tightened.

3 Tighten two screws on the back side.

4 Tighten the four screws on the seat side of the both sides.

5 Tighten the seat plate and connect the four screws on the backrest.

6 Press the caps into place as shown.
