WARNING

To reduce the risk of serious injury, read the following safety information before assembling and using the gazebo.

Please check with your local governing authority/local municipal codes regarding installation of structures before assembly.

SAFETY INFORMATION

- ☒ This product is intended for domestic outdoor use only.
- ☒ The product should be placed on flat, horizontal ground.
- ☒ Ensure enough clearance around the product. Before assembling the product, find level ground not less than 6'(1.8 m) away from any structures or obstructions, such as fences, garages, houses, overhanging branches, laundry lines, or electrical wires.
- The gazebo is not to be regarded as part of a building/house structure. The gazebo is to be anchored onto the ground for added safety. Do not assemble the gazebo onto soil/earth ground. It is best advisable to have the gazebo built onto a wooden deck or concrete ground for stability. If it is to be build onto a wooden deck/ground, do ensure that the wooden deck/ground has a strong foundation. It is advisable to use appropriate floor plugs (not provided) to anchor the gazebo onto the wooden/concrete ground.
- Some structures may require two or more people to install safely. Check for underground utilities before digging or driving stakes into the ground.
- ☒ During installation, follow all safety warnings provided with your tools, and use safety glasses.
- ☒ In case you set up more than one gazebo, keep a minimum distance of 10' (3 m) between the gazebos.
- ☒ Any assembly or maintenance of the product must be carried out by adults only.
- ☒ Arrange necessary manpower when assembling or moving the product.
- ☒ Some parts may contain sharp edges. Wear protective gloves if necessary.
- ☒ Keep children and pets away while setting up the gazebo.
- ☒ Check all nuts and bolts periodically to ensure bolts/nuts are tightened.
- ☒ Repairing and replacing parts should be done by a qualified technician.

☒ This gazebo is intended for decorative and sunshade purposes only, and it is not designed to withstand harsh weather, including high winds, rain, and snow.

- Do not light any fires inside or near the product!

☒ Stay calm if fire breaks out. Search for the nearest exit. Do not return to the gazebo before firemen allow you to do so.

☒ Do not hang heavy weights on the roof frame.

☒ Do not climb onto the roof of the gazebo. Falling off the gazebo can result in serious injury.

☒ Retain the original packaging to store the gazebo.

PREPARATION

☒ Please read and understand this manual before any assembly. Before beginning assembly of product, make sure all parts are present. Compare parts with packaging contents list.

☒ If any part is missing, or if you have any questions, please contact us with email service@joysidefurniture.com.

☒ When assembling wooden parts, do not overtorque the bolts to avoid splitting the wood.

SEE IMAGE ILLUSTRATION

☒ Place all parts from the box in a cleared area and position them on the floor.

☒ Remove all packing materials and place them back into the box. Do not dispose of the packing materials until assembly is complete.

☒ Read each step carefully before beginning any assembly and make sure you understand each step. If you are missing a part, please contact us with email service@joysidefurniture.com.

Note: The gazebo needs to be installed in cooperation with five people.

The following tools are not included and needed for assembly:

Pistol Drill

Tape Measure

Hammer

Screwdriver

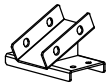

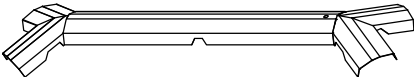

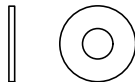

Ladder

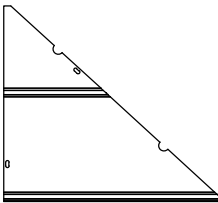

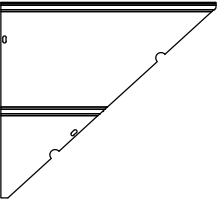

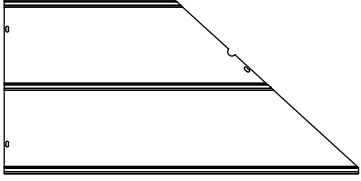

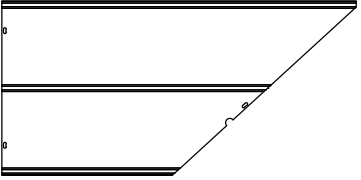

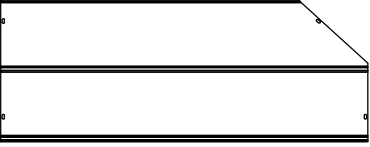

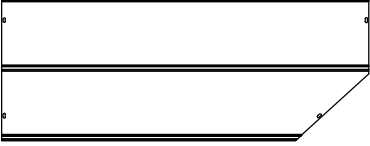

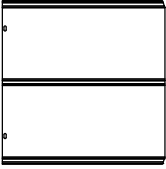

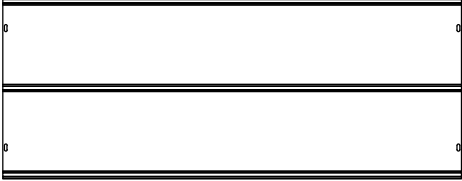

5 people
