The Natural Beauty of Teak with Seachrome Shower Seats & Accessories.

Crafted from the finest Afrormosia African Teak, a beautifully rich and durable wood. African Teak is rot and bug resistant with a medium fine texture. Native to West Africa, Afrormosia has a higher hardness level, making it water-resistant and very stable against natural elements. The teak wood offers a rich and natural look to your bath and is 100% heartwood offering a unique wood grain pattern.
