

Features

- Catalyzed conversion varnish provides a durable moisture-resistant finish.
- Two doors and six drawers.
- Split top drawer feature adds two hidden, shallow drawers for additional storage without compromising the look of the cabinet face.
- Frameless construction with full-overlay doors and drawers.
- Three-way adjustable slow-close door hinges with 110° opening capability for easy cabinet access.
- Full-extension 18" depth drawers with soft-close undermount slides for smooth opening.
- Solid wood drawers with dovetail construction.
- Toe kick covers blemished or inconsistent flooring.
- Coordinates with the K-99685 Jacquard ring pull (sold separately).
- Combines with Solid/Expressions® vanity tops (sold separately) for a complete vanity.
- Customize your storage with optional accessories such as shelves, trays, drawer dividers, and medicine cabinets (sold separately).

Material

- Solid wood and veneers.
- Wood is a living material, and its beauty is enhanced by natural variations in grain, color, and pattern. No two pieces of wood are exactly the same, and the color will change with age, temperature, and exposure to light.
- The nature of wood grain can cause variations in stain depth. Our expert craftspeople hand-apply the stain to blend these variations.
