Installation Guide

Step 1

Key Secured Inside Drawer Handle with Yellow Tape.

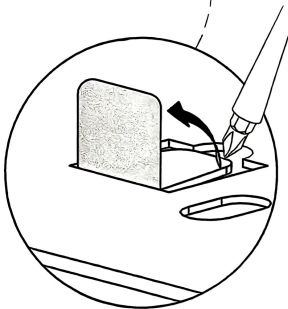

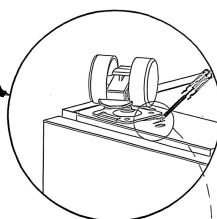

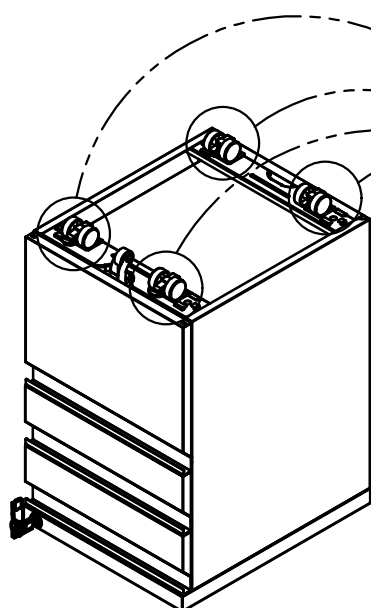

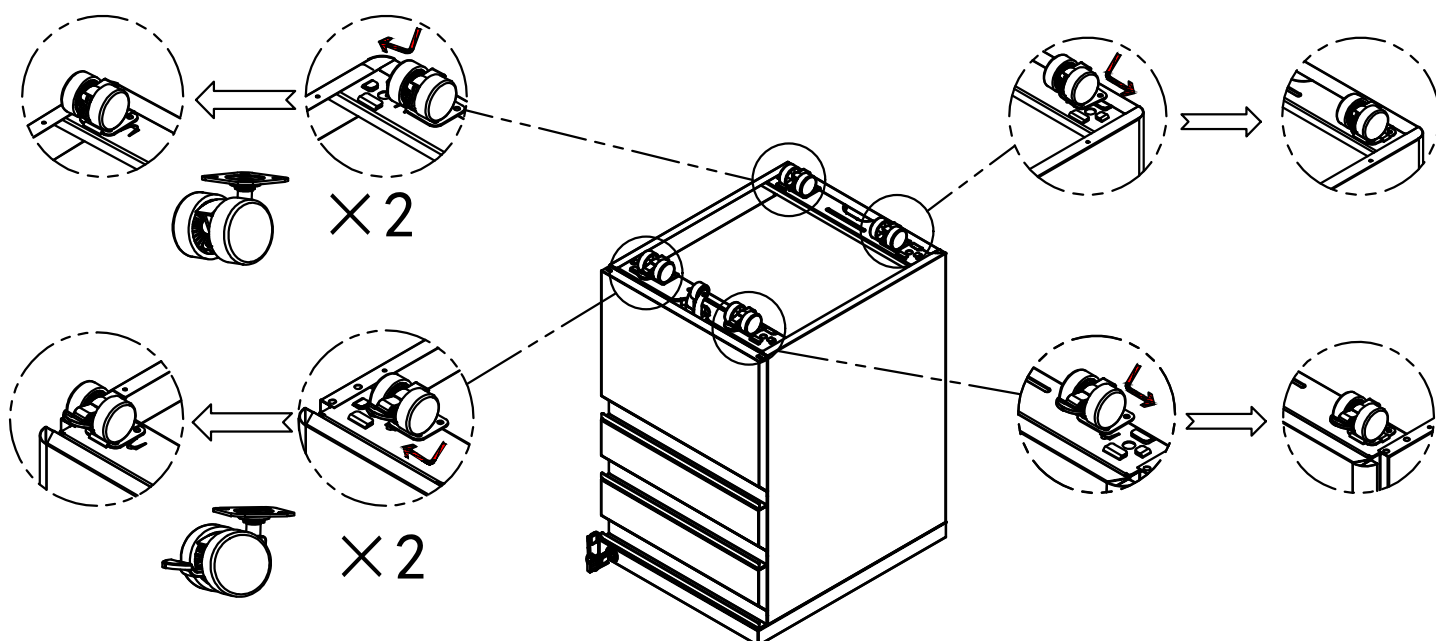

Step 2

Slide the wheels into the slots.

Install the two non-locking wheels on the rear side of the cabinet.

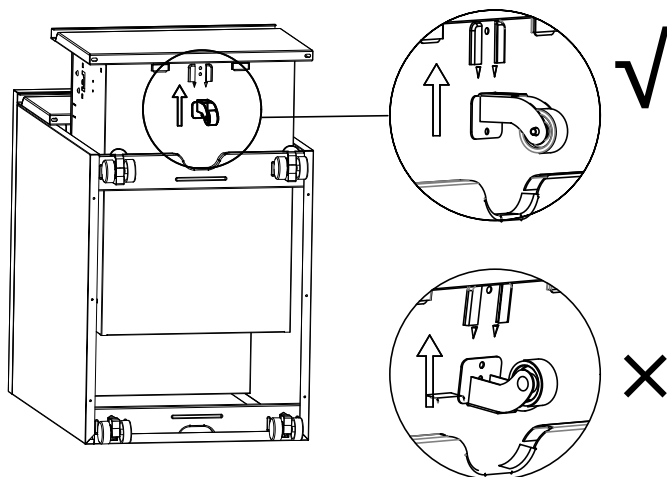

Install the two locking wheels on the front side of the cabinet.

Note: No screws are required to install these four larger wheels.

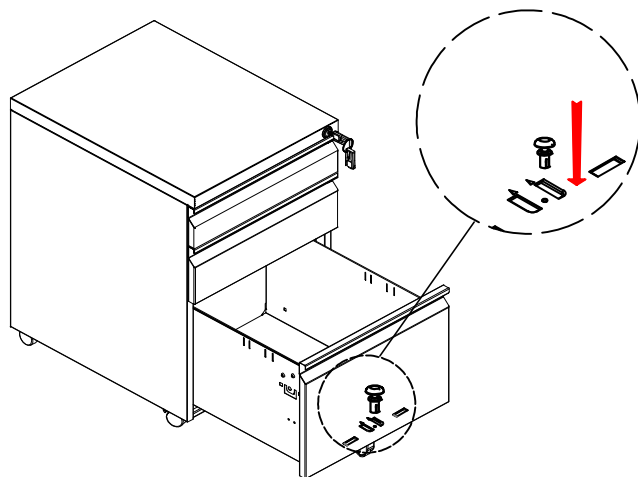

Use the screwdriver to bend the fixing tab to a 90-degree angle to secure the wheel.

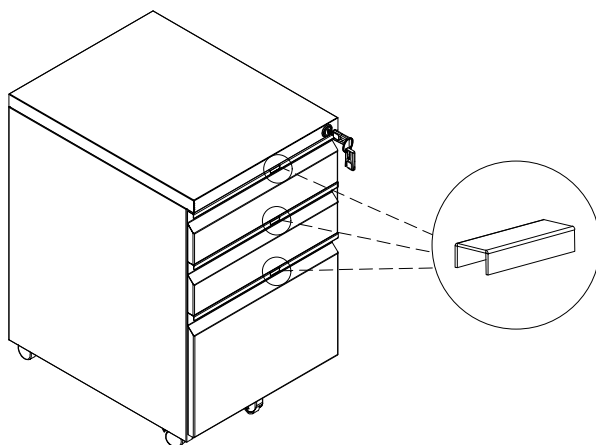

Step 3

Slide the small wheel into the slot.
Note: Ensure it is facing the correct direction.

Insert the clip from inside the drawer
to secure the wheel.

The white plastic sleeve is packaging
material and should be discarded.
