IMPORTANT

This warranty applies only to the original consumer purchaser and only to products used in normal use and service. If this product is found to be defective, the manufacturer's only obligation, and your exclusive remedy, is the repair or replacement of the product at the manufacturer's discretion, provided that the product has not been damaged through misuse, abuse, accident, modifications, alterations, neglect, or mishandling.

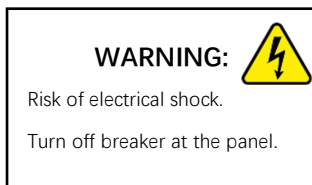

This warranty shall not apply to any product that is found to have been improperly installed, set-up, or used in any way not in accordance with the instructions supplied with the product.

This warranty shall not apply to a failure of the product as a result of an accident, misuse, abuse, negligence, alteration, faulty installation, or any other failure not relating to faulty material or workmanship.

The manufacturer does not warrant and specifically disclaims any warranty, whether express or implied, of fitness for a particular purpose, other than the warranty contained herein. The manufacturer specifically disclaims any liability and shall not be liable for any consequential or incidental loss or damage, including but not limited to any labor / expense costs involved in the replacement or repair of said product.

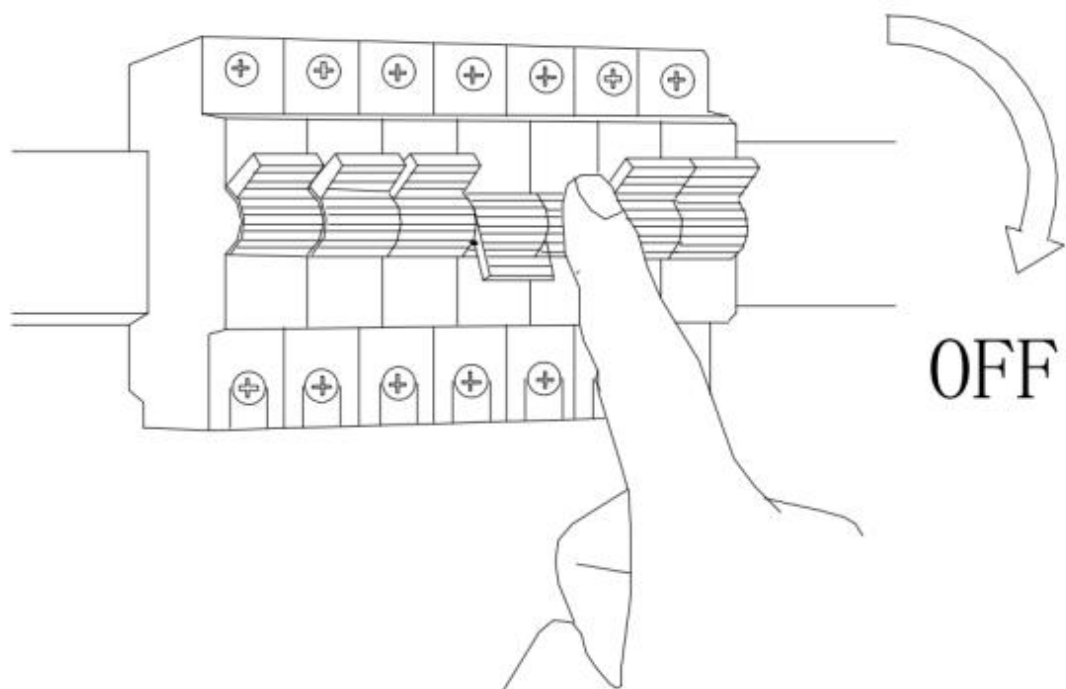

Switch off the main electrical supply from the fuse box/circuit breaker before installing the unit or doing any maintenance.

Do not use outdoor.

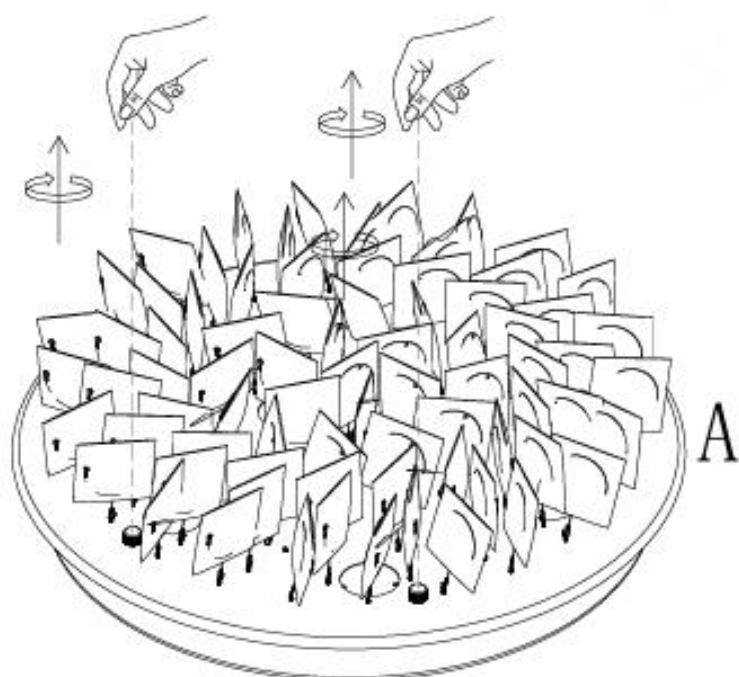

INSTALLATION

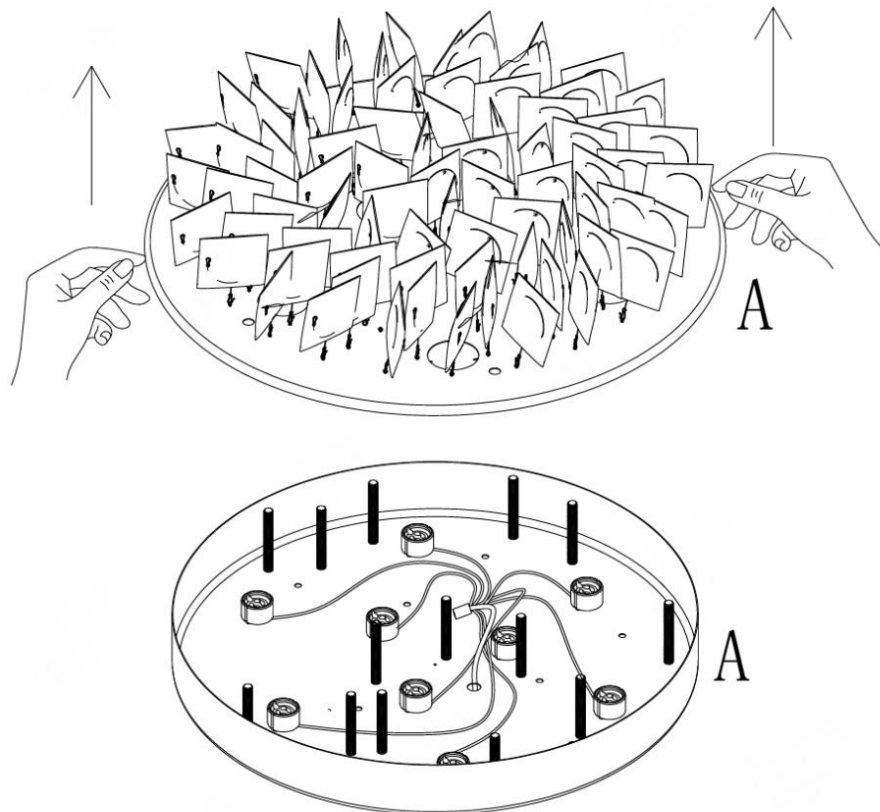

WARNING: First of all, turn off the power at the main fuse box!

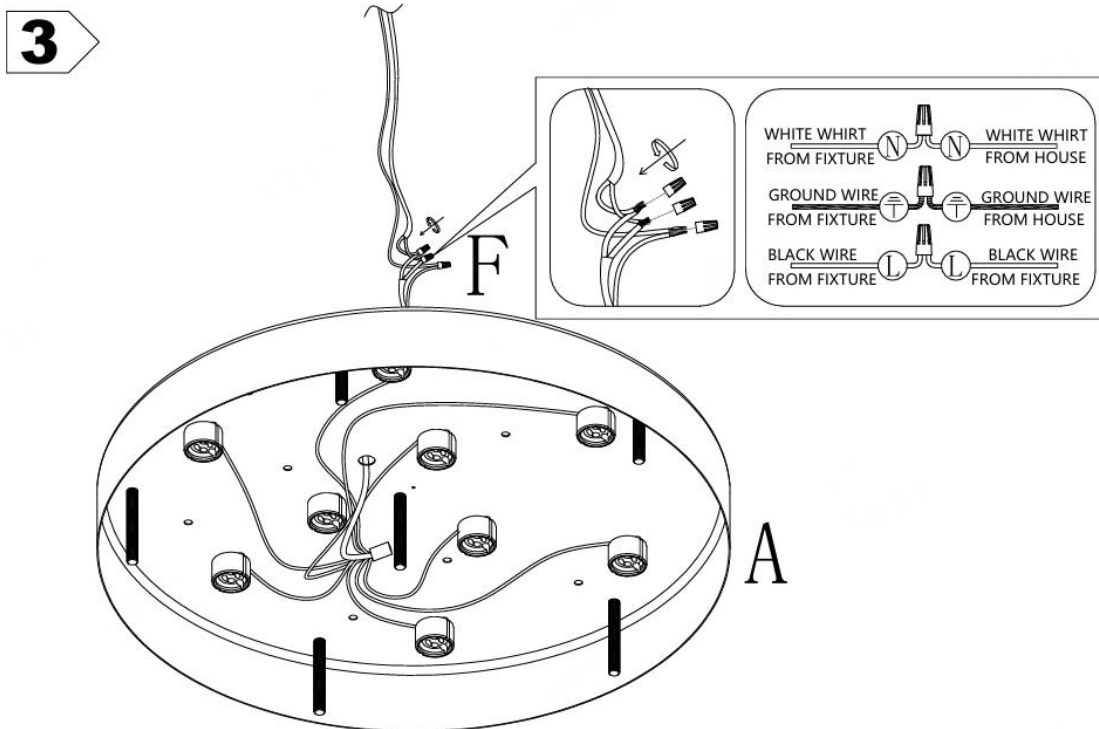

1. Unscrew the nuts on the lamp body.

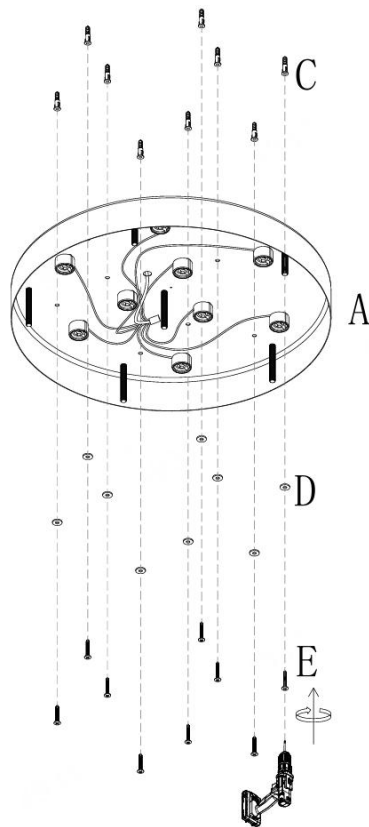

2. Remove the chassis from the lamp body.;

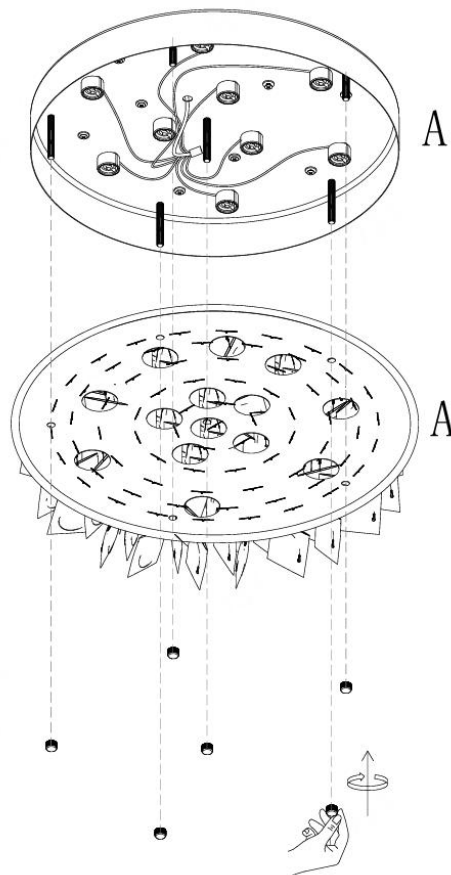

3. Connect the wires from lamp body and ceiling junction box together with wire connectors;

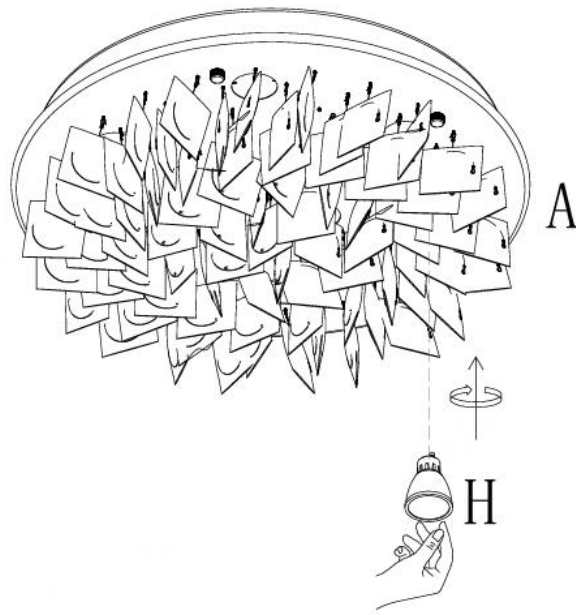

4. Insert the expansion screw into the hole of the lamp body, then screw the gasket and screw into the expansion screw to fix the lamp body to the ceiling;

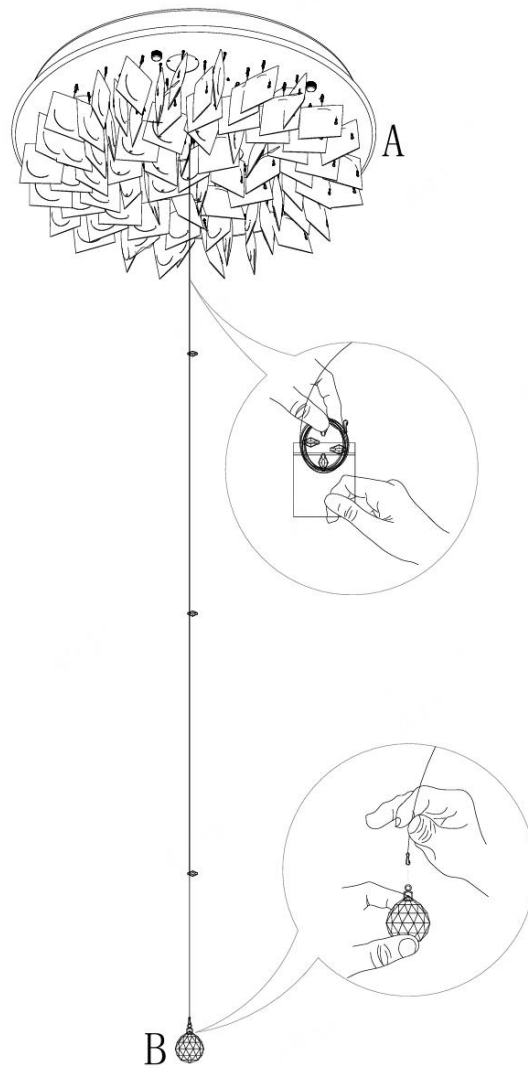

5. Use nuts to re fix the chassis onto the lamp body;

6. Install the GU10 bulb onto the lamp body;
(Attention: We do not provide light bulbs.)

7. Open the bag, take out the wire inside, and hang the crystal ball on the wire;

8. Attention: It is necessary to remove the bag from the middle and hang the crystal ball.
